CITIZENS OF TORONTO REJOICE and BE GLAD.

You have within your reach a mineral water called St. Leon, which, for gout, rheumatism, and diseases of the kidneys, including diabetes and even Bright's disease of the kidneys, when freely used, is superior to all other mineral waters, without any exception. It contains purgative and revivifying agents of the highest order. For persons in health it is an excellent regulator and health preservative as well as an agreeable beverage. It is the strongest antidote known to science as a blood purifier. To crown all, it carried off the gold medal and diploma, the highest honours awarded, at Quebec in September, 1887, the judges giving it a very strong recommendation. The company owning the St. Leon Springs have a fine hotel in connection with them, managed by your well-known fellow-citizen, Mr. M. A. Thomas, than whom as a caterer there is none such. The hotel opens on the 15th of June with a full staff of efficient cooks and waiters, and with rates to suit all. They expect to fill the hotel, which can accommodate between five and six hundred guests. The baths in connection are an institution that many of our own citizens can speak of in the most glowing terms. Mr. Thomas invites you all to come, to drink and to be merry. CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.
