The most noted Chinese doctor in the country has just died in San Francisco. He was Li Po Tai. He came from Canton about 1850 and built up a large practice, having white people as well as his own countrymen for patients. Captain Molard, a professor at St. Cyr, has made a careful calculation of the force of soldiers now under call in Europe. He puts France at the head, with 2,500,000; next, Russia with 2,451,000; close upon her, Germany with 2,417,000; then, after a long interval, Italy, with 1,514,000; while fifth among the armies comes that of Austria-Hungary, with 1,050,000. A great drop brings us to Turkey, with 700,000; to England, with 342,000; and to Spain, with 300,000. The lesser powers put together can muster 1,289,000, so that the aggregate would be 12,563,000.

Let every enfeebled woman know it! There's a medicine that'll cure her, and the proof's positive!

Here's the proof:—If it doesn't do you good within reasonable time, report the fact to its makers and get your money back without a word—but you won't do it!

The remedy is Dr. Pierce's Favorite Prescription, and it has proved itself the right remedy in nearly every case of female weakness. It is not a miracle. It won't cure everything, but it has done more to build-up, tired, enfeebled, and broken-down women than any other medicine known.

Where's the woman who's not ready for it? All that we've to do is to get the news to her. The medicine will do the rest.

Wanted—Women. First to know it. Second to use it. Third to be cured by it. The one comes of the other.

The seat of sick headache is not in the brain. Regulate the stomach and you cure it. Dr. Pierce's Pellets are the Little Regulators. Only 25 cents a vial.
