

WHY Our Students Succeed!

From the day a student enters our college, to the day of graduating, every hour of time is put to the best possible use. Teachers and students work together with a definite purpose. Courses of study, full and thorough—but no aimless work, no useless repetitions, no nonsense. Every step a preparation for practical business life.

Personal interest taken in the progress and welfare of each student,

The Standard of the World

IN the manufacture of School Furniture we are many laps ahead of our competitors. For durability, honesty of construction, and superior points of merit, our goods EXCEL ANYTHING IN THE SCHOOL FURNITURE LINE.

Our New Patent "Ball Bearing" School Desks lead all others. They are absolutely the ONLY School Desks ever made having a Permanently Noiseless Ball Bearing Seat flange.

This device is NOT an experiment, but has been thoroughly tested, and its practicability proved.

Our Combination "Ball Bearing" Adjustable School Desk is the greatest success ever achieved in School Desk construction.

The time has passed when students must adjust themselves to fit the desks. Health and comfort demand that the desks should adjust themselves to fit the students.

That is why our Adjustable Desk should be in every school room in the land.
