

4. The provisions of paragraphs 1, 2 and 3 shall not apply to taxes or duties which are in fact no more than charges for specific services rendered.

5. Goods belonging to INTELSAT which have been exempted under paragraphs 2 or 3 shall not be transferred, hired out or lent permanently or temporarily, except in accordance with the domestic laws of the Contracting Party which granted the exemption.

ARTICLE 5

Communications

With regard to its official communications and the transfer of all its documents, INTELSAT shall enjoy in the territory of each Contracting Party treatment not less favourable than that accorded to other intergovernmental non-regional organizations in the matter of priorities, rates and taxes on mails and all forms of telecommunications, as far as may be compatible with any international conventions, regulations and arrangements to which that Contracting Party is a party. No censorship shall be applied to official communications of INTELSAT by whatever means of communication.

ARTICLE 6

Restrictions

Within the scope of its activities authorized by the INTELSAT Agreements, the funds held by INTELSAT shall not be restricted by controls, restrictions, regulations or moratoria of any kind, provided that operations involving those funds comply with the laws of the Contracting Party.

CHAPTER II: STAFF MEMBERS OF INTELSAT

ARTICLE 7

1. The staff members of INTELSAT shall enjoy the following privileges, exemptions and immunities:

- (a) immunity from jurisdiction, even after they have left the service of INTELSAT, in respect of acts, including words written and spoken, done by them in the exercise of their official functions and within the limits of their duties. However, there shall be no immunity in respect of a civil action by a third party for damage arising from an accident caused by a motor vehicle or other means of transport belonging to or driven by them, or in respect of a traffic offence involving such a vehicle and committed by them;
- (b) inviolability for official documents and papers related to the performance of their functions within the scope of the activities of INTELSAT;
