
ABSTRACT

The report *South Korea: Guidelines for Canadian Fish Exporters 1993-94* provides an overview of the South Korea market for fish and seafood products, including information on various aspects of the South Korea economy and factors influencing fisheries imports into that market. Other information in the report includes: basic data; the South Korean market in brief; country information; consumption habits; the domestic South Korean fishing industry; business travel; documentation; trade contacts; importers/distributors/users; transportation; and statistics.
