

6. Has any department or agency of the Government of Canada conducted any systematic study as to how the threshold of danger from microwave radiation changes with humidity, air temperature, frequency of irradiation and the cumulative effect of exposure over long periods of time?

7. If so, by what department or agency and with what result?

No. 1,074—*Mr. Knowles* (Winnipeg North Centre)

1. What were the total expenditures of the Unemployment Insurance Commission on the pilot operation of its stepped-up drive against fraud during the first six months of the said pilot operation?

2. What were the results of this drive during the same six months?

3. What are the anticipated expenditures in connection with the recently announced larger scale operation against fraud, per fiscal year, and for how long is it planned to continue this operation?

4. Has the Unemployment Insurance Commission made or had made a cost-benefit study with respect to the larger scale operation against fraud now in effect?

5. In terms of (a) number of cases (b) dollars involved, what was the percentage of fraud to the total benefit program of the Unemployment Insurance Commission in 1950, 1955, 1960, 1965, 1966, 1967 and 1968, for such period as statistics are available?

*Mr. Forest*, Parliamentary Secretary to the President of the Privy Council, laid before the House,—Returns to the foregoing Orders.

Notices of Motions for the Production of Papers Nos. 38, 55, 56, 57, 58, 59, 60, 63, 65, 67 and 68 were allowed to stand at the request of the government.

Ordered,—That there be laid before this House a copy of all letters, communications, reports, memoranda, or other data in respect of the incentive grant to be paid to Prince Albert Pulp Mill Company Limited and showing what amount of grant has been authorized and what amount of grant has been paid and on what date or dates payment was made.—(*Notice of Motion for the Production of Papers No. 54—Mr. Burton*).

The Order being read for the second reading and reference to a Committee of the Whole of Bill C-165, An Act to amend the Income Tax Act and the Estate Tax Act;

*Mr. Benson*, seconded by *Mr. Macdonald* (Rosedale), moved,—That the said bill be now read a second time and referred to a Committee of the Whole.

And debate arising thereon;

*Mr. Saltsman*, seconded by *Mr. Knowles* (Winnipeg North Centre), moved,—That Bill C-165 be not now read a second time, but that it be resolved that in the opinion of this House, the Government should give consideration to a complete revision of the federal estate tax legislation with a view to making the rates of taxation under such legislation truly progressive and equitable.

And debate arising thereon; the said debate was adjourned.
