...to be harmed by ...
... Perhaps the ...
... up here now, ...
... to get fresh fish. It ...
... a sticky shame that ...
... of the country do not ...
... of quality before they ...

... heard it said that ...
... in Ottawa who think ...
... not much like ...
... it is pure and ...
... that I have to ...
... of the country I ...
... there will be a ...
... some attention ...
... the market for fish ...

... to be ...
