Madam Speaker: I declare the motion carried. Accordingly I would ask the Hon. Member for Cariboo-Chilcotin (Mr. Greenaway) to withdraw from the House.

And Mr. Greenaway having withdrawn:

Mr. Prud'homme: Madam Speaker, I think it is only fair to point out that when four Members, two on the Opposition side and two on the Government side, hurried back to vote as they were supposed to, they were prevented from doing so because they arrived just as the vote was being held. However, I would like to have our presence recorded. These Members are: the Hon. Member for Oxford (Mr. Halliday), the Hon. Member for Durham-Northumberland (Mr. Lawrence), the Hon. Member for Saint-Denis (Mr. Prud'homme) and the Hon. Member for Beauharnois-Salaberry (Mr. Laniel).

Madam Speaker: Order! Names of Members present have been recorded and I do not think it is necessary to raise the matter again.

EMPLOYMENT

JOB OPPORTUNITIES BANK—INSCRIPTION OF CHIEF OF PARTY

Mr. Henri Tousignant (Témiscamingue): Madam Speaker, we are all aware of the high rate of unemployment in Canada. Perhaps that is why there are so many candidates for the leadership of the Progressive Conservative Party. Maybe we should ask the Minister of Employment and Immigration (Mr. Axworthy) to have this new position of Leader of the Opposition and Leader of the Progressive Conservative Party included in the Canada Employment Commission's job bank, so that more people could apply for the job—

Madam Speaker: Order, order!

[*English*]

I cannot hear what the Hon. Member is saying.

[*Translation*]

The Hon. Member for Témiscamingue has the floor.

Mr. Tousignant: Madam Speaker, this is very important. This new job should be posted with the job bank so that more Canadians could apply for the leadership of the Progressive Conservative Party. At the same time, however, some indication should be given that it is a high risk job with a high rejection rate, and that at some time in the future, applicants will have to express their views on certain questions. Running for the leadership is all very well, but they are going to be asked what their position is on missile testing, the Crow Rate, Petro-Canada, and so forth. So in that case, Madam Speaker—

Madam Speaker: Order. The Hon. Member's time has expired.
