Dear Mr. Forsey,

I have heard from our common friend, Mrs. Gerrans. I understand that you are meeting her when she arrives C.N.R. Wednesday the 25th at 5.15 p.m. from London, Ontario. In her note to me she says that she would like to stay in the hotel where we are, and as we are at the Windsor, we would be delighted if she could stay there. We are on the fifth floor in the northwest corner.

If you are at the University to-day or to-morrow I should be glad to see you.

Yours sincerely,

Eugene Forsey, Esq.,
Department of Economics & Political Science.
