Dear Sir Arthur,

OLD MEDICAL BUILDING

I acknowledge receipt of yours of the 20th instant enclosing copy of letter sent by you to Drs. Tait, Martin and Scane, suggesting that they along with myself, as the Governors' representative, constitute a Committee to consider best how the old Medical Building can be altered and enlarged to house the Departments of Bio-Chemistry, Physiology, Zoology and Botany etc., and I shall be glad to act on this Committee and do what I may be able to assist in getting together the information required to deal with the matter.

Yours sincerely,

A. J. Brown
