

OFFICE OF THE PRESIDENT

VANCOUVER, CANADA

March 12-1924.

Sir Arthur Currie,
Principal, McGill University,
Montreal, Canada.

Dear Sir Arthur:

It was a great disappointment to all of us to learn that you found it impossible to accept the invitation of the Board of Governors to deliver the Congregation address on May 8th. We greatly appreciate your willingness to accept had circumstances permitted and hope that we may have the honour of having you as our Congregation speaker before many more classes graduate.

With kind personal regards, I am,

Yours very truly,
