

*Scholarships in Medicine*

June 9th, 1930.

Mrs. E. C. Akerley,  
Point Caroline,  
Somers, Montana.

Dear Mrs. Akerley,

The Dean of the Medical Faculty has shown me your very kind letter explaining the nature of the Endowment Fund established in memory of your late husband and through his own initiative. I need not tell you how grateful we are to feel that one of our own graduates is thus to be memorialized and that he has remembered his Alma Mater in this very charming manner.

Let me express to you on behalf of the Governors of the University, as well as for myself, our great appreciation of this wonderful gift to come.

Faithfully yours,

Principal.
