

CANADA LIFE

ASSURANCE COMPANY.

Established, - - - - 1847.

CAPITAL AND ASSETS OVER \$4,000,000.

N. B.—1.—The Profit Bonuses added to the Life Policies are larger than given by any other Company in Canada. 2.—It has occurred that Profits have not only altogether extinguished all Premium payments, but, in addition, yield the holder an annual surplus.

Upon a calculation of the Company's Reserves upon the Government standard of future interest at the rate of 4 1/2 per cent. per annum the Company had over and above that, and its capital and every liability, in 1877, a profit-surplus of \$99,285; and upon a careful computation as at 30th April, 1878, that profit-surplus has been so greatly increased as to warrant the anticipation that the profits to be divided in 1880 will not fall short of the liberal average rate which the Company has hitherto given to its policy-holders.
