Chicago Hide and Leather—The market for country hides started off at the commencement of the week with prices firm. Most of the dealers were asking 8% to 8% c. Tanners, however, held out the market, only bidding 8½c. Dealers, realising they could not obtain their asking they could not obtain their asking including No. 2 at 7½c. All No. 1 can not be purchased to-day at 8½c, but the supply of No. 1 is so limited dealers prefer to sell a regular selection at 8½c. This is the condition of the 6t talk by some dealers. A year ago this week buffs sold at 8½c after being held at 9c.

Advanced thinkers are now turning seir thoughts to straw hats.
