

A POINTER

When you cannot get suited in your requirements in Dry Goods in Newburgh kindly remember there is a store in Kingston, but a short distance from your own home, that can **"serve you quicker,"** **"show you as new goods"** and at lower prices than Toronto or Montreal stores. If you cannot come to Kingston try their **Mail Order Department**. You can have samples and information the day you write to Steacy & Steacy.

SPECIALTIES.
