ISRAEL ZANGWILL TELLS OF JEWISH MASSACRES

Declares That Fashionable People Drove in Carriages to "See the Fun."

LONDON, May 17.—At a meeting of the Jews held in Shoreditch last night, under the auspices of the English Zionist Federation, Israel Zangwill, the author, seconded a resolution declaring that the establishment of a home in Palestine was the only practical solution of the Jewish question.

Mr. Zangwill, in the course of his remarks, said President Roosevelt's recent visit to Roumania was an example for all Christendom, and recalled details of horrors that had occurred in Kishineff, Bessarabia, including the disemboweling of victims and the stuffing of their stomachs with feathers, and the dipping of rats in the blood of Jews in order to make red flags.

He declared that uniformed state forces mingled with the mob at the opening of the riots, and that police and soldiers participated in the pillage.

The Governor, he added, had ordered a Jewish deputation, which had waited upon him for the purpose of demanding protection, to be driven out of the courtyard, and that many fashionable people drove in their carriages "to see the fun."

The resolution was carried.

LAKEVIEW LODGE I. O. O. F. AT CHURCH

Shamrock Lacrosse Club Chose Graydon as Captain—Weston is Prospering.

Toronto Junction, May 17.—Lakeview Lodge, No. 272, I. O. O. F., attended a service in a body at Victoria Presbyterian Church this afternoon. There was a very large turnout. At the head of the procession was the Canton of Toronto, and among the visitors were J. B. King, Grand Secretary, Mr. Bond, D. G. M., Rev. George C. Pligon took for his text (Isaiah Chap. xli, v. 1). "They helped every one his neighbor, and everyone said to his brother, be of good courage." The text is taken to show that brotherly love consisted in mutual helpfulness. In the course of his remarks, he referred to the high price of goods, which laid aside their little animosities to cooperate in interests common to both the employer and the employed. The manufacturer charged for his goods, so as to receive a profit on the labor he employed. By the high price of goods, men in one walk of life paid for the labor producing the articles they required. It was something less than the cost of production, and no one could buy for less than the original cost of the goods being produced. There was a ripple of applause as the reverend gentleman gave utterance to the sentiment, that to purchase bargains was to rob labor of its just reward.

The choir of Holy Trinity Church will give a concert in St. Mark's Hall on Wednesday evening, in aid of St. Mark's Schoolhouse.

The College of Music Mandolin and Guitar Club will give its annual concert on Tuesday evening.

The Canadian Pacific Railway team met with its first defeat yesterday afternoon at the Ontario Railway Football team. The score stood 2 to 0.

Carving Out Ridings

IN YORK AND TORONTO

Some Plans for Re-Arrangement of Constituencies That May Aid the Government.

Ottawa, May 16.—(Special.)—It is pretty well understood what the re-arrangement of the seats of the City of Toronto and the County of York is to be in the program of the Liberal party, to be submitted to the Special Committee on Redistribution, and, later on, to the House.

At present, Toronto and York have seven members, representing what are known as East, West and North York, and East, Centre and West (two members) Toronto. The government proposes to increase the number of members to eight. Politically, these seats are now held by two Liberals and five Conservatives. The Liberals are evidently in charge in at least two of the seats in the county, and getting, if possible, one or more in the city. The Conservatives, however, that they will simply keep North York and the new constituency, called Centre York, and that the other six will be Conservative, as based on the present political sentiment of these places.

Toronto is to be divided into three ridings. The first change to be pointed out in East and West York will be put into the city, and the city, with the population of 208,000, will have five seats; known as East Toronto, South Toronto, Centre Toronto, North Toronto, and West Toronto, with one member for each. This will entail an entire re-adjustment of the boundaries of the present electoral divisions.

Two New York Ridings. Going into the county, the Township of York with the Township of East York, will be made a new suburban riding, called South York, and will take in everything in the Township of York, outside of the City of Toronto. Its political complexion is Conservative. The other new riding, called North York, will include therein parts of the Township of York and the Township of Etobicoke and Vaughan, now in West York, and the Township of Scarborough and Markham, now in East York, and this will give a substantial Liberal majority, which Mr. Maclean and Campbell, a member for West York, thinks would be a safe one for him.

All the county north of Vaughan and Markham townships will remain in North York, as at present, with the addition of municipalities now in West York. This, of course, would be Mr. Mulock's riding.

Will Please It Out Somehow. At the regular meeting of the Knights of Labor, held Saturday night, the following resolution was passed:

Resolved, that this assembly regrets exceedingly that the Ontario government in its Assessment Act, has made no effort to rid the country of the injustice of land speculation and the extorsion of ground rent. This assembly also wishes to express its approval of the resolution of Dr. Noble to reduce taxes on dwellings and hopes that it will receive the support of the Council—provided that the franchise be so reduced that no citizen will be disfranchised.

AT THE THEATRES.

Grand-Robert Mantell in "The Danger and the Cross" and "The Jolly Musketeer."

Presenting one of the very best dramas in his repertoire, Robert B. Mantell will make his appearance at the Grand tonight as Roubillan, in "The Danger and the Cross." Mr. Mantell is one of the favorite actors of the Toronto theatre-going public, and his engagement is always enthusiastically well received. Mr. Mantell is one of the foremost romantic actors on the stage today, and he is seen in no more favorable role than this, in which his handsome and virile appearance enables him to interpret in an ideal manner the characteristic traits of the passionate Italian.

At Shea's, the Aborn Opera Company will tonight enter upon the last week of its engagement, with "The Jolly Musketeer," as the final attraction. The piece is said to be the best work of those clever collaborators, Stange and Edwards, and the Aborn Company is prepared to give it a most excellent performance, embellished, too, with an elaborate scenic and costume investment. John Henderson will assume the comedy role of Henri, Count de Beaupre, in which de Angelis made such a hit, and in which Mr. Henderson has also earned great praise in other cities. Others in the cast will be Hubert White, Miss Agnes Paul, Miss Christine Hunt and other favorites of last week's production.

At the Star, Irwin's Majesties, always a popular attraction, will put up a first-class program for lovers of burlesque. The opening extravaganza is called "King for a Day," and is a parody of that very successful comedy opera, "King Dodo," and is itself rich in humor and music. The closing concert is also replete with the best features of its kind. In the olio will be seen Billy Watson and company in "Back to Ireland," Dally, Terry and Roman, Valery and Henry, McCallie and Ordon, Gerrie DeMitt, Ziska and King, and Billy Noble.
