## Tankard Finals

### Note and Comment

At this writing, with rain and mercury falling, it is not to call the Scarborough Maple Leafs to win the Ontario Tankard, play for which begins this morning in this city at the Granite and Victoria rinks. However, Secretary McFadden, the umpire, declares that he will postpone the competition should the ice become soft, and even then the men from Elmestree can be counted upon to put up an effective game, and there is no reason why they should not reach the final tonight with the Hamilton Thistles or Granites.

Play for the governor-general's prize begins this afternoon with the runners-up in the different groups and the beaten clubs to-day as the competitors. The runners-up in the different groups are: No. 1, Lindsay; No. 2, Dundas; No. 3, Ayr; No. 4, Barrie; No. 5, Peterborough; No. 6, Windsor; No. 7, Guelph; No. 8, Mount Forest.

Whimpey's big annual bonspiel begins, and Ontario will not have a representative. J. D. Flavie, who was almost a regular visitor, is an absentee this year, participating in the curling days in the competition for the governor-general's prize.

Speaking of the Canada-Mid-Lothian match, which the tourists won by 27 to 15, The Scotsman says: "The frost will be of help, off play in the province was impossible, and the match was decided on the Scottish ice rink, Crossmyle, Glasgow. The scarcely so keen as on Monday, the ice was in splendid condition. On the other hand, some of the home rinks have had no experience on artificial rinks, and on that account labored under a disadvantage. Fresh from their decisive day, and now thoroughly at home on the rink, the Canadians played with a confidence there was no shaking. They carried all before them on most of the rinks, particularly in the forenoon, but in one or two of the Scottish clubs they caught a Tartar. Twelve rinks a side were played, in two periods of three hours.

While the baseball men in Chatham claim to be a month ahead of most of the curlers, the curlers are rather inclined the other way. Chatham is the club, and they requested Secretary McFadden to have the finals arranged for Feb. 15. The same day he had word from Parry Sound, wanting to have the tankard games arranged a month earlier. As a matter of fact, Chatham, the home of the early springs, is the only group or district curling centre with the game still unplayed.

Grand Rapids, Sarnia, Toledo, Detroit, Ham, and Umpire Gordon is evidently waiting to have them give a curling exhibition for the benefit of the Toronto players on the off days during the latter's spring training stunts.

The English speed skating championship for a mile and a half was skated the other day, the prize being a cup offered by King Edward. The race was won by W. Dix of Raunds in the world's record time of 4 minutes 37 seconds. The former record was 4 minutes 37 seconds, made last year by Dix himself. The record was made in one of the heats.

"John Clarkson never had a superior as a pitcher, and never will," said Fred Pfeffer, who was Chicago's star second baseman under Clarkson. "The Rube Waddell, the Montreal Browns, the Ed Walshes and the Christy Mathewsons may come and go, but they will never stand as his superior. I stood behind him in day and night, and watched his magnificent, as confident of success, especially in tight places, as I would have been in any other man's shoes. He was a master of control. I believe he pitched more than a half million times out of ten. He had everything you could ever wish for. His speed was a terrific thing, and he could throw any curve. However, his favorite ball was a spit ball delivered it without the slightest necessary nowadays. You must remember that in his day Clarkson had to face that wonderful bunch of hitters of the old Detroit team when Brothers, Thompson, Rowe, Ed Hanlon, Hardy Richardson, Jim White, Dunlap and George Wood were the greatest sluggers on the diamond. Clarkson was their booby. They seldom won a game from him. If I remember rightly, John did not lose more than two or three games in all that he pitched against Detroit. I will venture to say that if Clarkson and Kelly, who were the famous battery in 1889, were alive to-day \$50,000 would not buy their releases."

**City Amateur Boxing.** Two of the regulars from 1908, Royal Canadian Regiment, are entering the curling tournament, having just taken out C.A.A.U. registration forms. There seems to be a misunderstanding about the nature of the championship and former city tournament winners. The committee have asked them to stand on the sidelines for the present time to give newcomers in their classes a chance. Last fall Hilliard had entered for welterweight and middleweight honors, and in the former division lost to two others, boxed, while in the latter there was not a single bout. Big Bob Day, who has never been defeated, was quite content to take a rest. He was in the eighth round after an exciting contest.

**Billy Allan Wins.** Billy Allan, featherweight champion of Canada, and Babe Cullen, the New York State champion, met in what was to be a rest day in the eighth round after an exciting contest.

**Canadians Win and Lose.** GLASGOW, Feb. 9.—To-day on the Glasgow ice rink, the Canadians scored 17 to 16, the morning the Canadians defeated the Peabody Province by a score of 85 to 82, but were defeated in the afternoon by the Biggar Province curlers by 85 to 82. Both matches were six rink affairs.

**Leaves Will Train at Chatham.** The Toronto Baseball Club have decided that the team this year will train at Chatham. Out President McCaffery of the local club so notified Chatham yesterday. It is likely the team will report around April 1.

**Indoor Baseball.** This evening at the armories practically the third-up game in the senior series of the Garrison League will be played. The contestants will be C. Co., Q. O. R., who defeated the Garrison League by a 4 to 1 defeat, and G. Co., 4th Highlanders, last year's champions. A good game may, therefore, be looked forward to. The game between G.G.B.G. and Central Y.M.C.A., also to have been played this evening, has been called off as the latter team was unable to play on account of special games at the gymnasium.

**Wins Nice Tennis Championship.** NICE, Feb. 9.—The American tennis player, F. B. Alexander, yesterday won the Nice lawn tennis championship.

Rochester have secured Becher, the New York pitcher, who finished with Newark last season.

## Lindsay Curlers Are Out of it

### Granites Win Group Final 33-28

### Tankard Finals Start To-day at Granite and Victoria Rinks—Play in the Bonspiels.

Lindsay's champion curlers of Ontario were defeated by the Toronto Granites in the final game of group No. 1 yesterday afternoon on perfect Queen City ice by 33 to 28. The city players were ahead at every stage of the game, the visitors only needed two to tie with the last end to play, but they lost on both rinks. George Little's rink was unchanged from a year ago when he defeated Tom Rennie's Caledonians in the Tankard final to 15. This year Skip Rennie, with his team of Granites, or ex-Caledonians, made an even break of it, while Tom Wilson ended five up on Larry O'Connor, who had two new men, E. Knowles and H. Cuthbert, replacing T. Burke and W. McLeod. O'Connor was only downed by Lindsay's margin then just three shots.

The front end of both Granite rinks were steady throughout, and thereby secured the victory. T. Rennie lapsed considerably the thirteenth head, missing a double raise, and instead giving Lindsay an extra two for a five-end, the biggest of the day. Otherwise he was in fine form, drawing the shot inside three stones the last end, and when Little failed to find the shot the game was over and the Granites had a stone to spare.

Skip Little was in perfect form throughout, frequently changing the end with the last stone. He drew with the out-turn round the guards, for both shots, and then the fourth outturned two Granite rocks to the wall, scoring one. On the other rink, the Lindsay men were inclined to shoot when losing a big four at the start. The Wilson team, however, was curling splendidly, and the O'Connor's drew level the twelfth head the Granites came back with a couple of two and then kept the lead. Wilson counted two the closing end by splendid draws.

It was one of the largest galleries ever in attendance at a group or tankard final, Lindsay having the most vigorous, if not the most plentiful, rooters. Scores: Granite 33, Lindsay 28.
