BECK ISSUES STATEMENT IN REPLY TO PREMIER DRURY

Germans Agree to Demands of the Allies and Sign Coal Protocol

WHEAT BOARD NOT NEEDED TO HANDLE THIS YEAR'S CROP

Foster Announces Reversion to Normal Methods of Pre-· war Times.

COMPETITIVE BUYING

Ottawa, July 16 .- (By Canadian Press.)-The government has decided Press.)—The government has decided that the present wheat board will not function insofar as the wheat crop of 1920 is concerned. The marketing of this crop will revert to the usual and normal methods of pre-war times.

The government will, however, carefully watch the conditions outside of fixed on the document after a four-Canada and will exercise the right to hour session at the Villa Fraincuse, proclaim the enabling legislation of one hour of which was spent by the last session if circumstances make it Germans in a cabinet consultation in necessary so to act in the public innecessary so to act in the public interest. From the present point of view,
it is hoped that no such action will
be found necessary.

German

coal deliveries were not up to the stipulated quantity—6,000,000 tons—by that date. The allies decided to drop this clause of the present wheat board. The wheat board, under the bill. was to have well-defined powers and could be called into operation by proclamation in The Canada Gazette, should cirtuely after Oct. 15 next, if German coal deliveries were not up to the stipulated quantity—6,000,000 tons—by that date. The allies decided to drop this clause of the protocol below the signature line.

Then the Germans objected to the present which declared that the decimple which decimple whi

cumstances make it necessary. Foster's Statement. In announcing the decision of the government Sir George Foster, minister of trade and commerce, this afternoon made the following:

Germans contended it was not by common accord, but by sole will of the

mon accord, but by sole will of the allies that any further occupation "The government has given very careful consideration to the course to be pursued in marketing the wheat crop of Canada for 1920. As is well would occur. At this juncture Dr. Fehrenbach, the German chancellor, sent for three of his cabinet colleagues, known, a bill was passed at the late session of parliament enabling the government to constitute a wheat board with well defined powers, board with well defined powers, which board could be called into operation by proclamation in The Canada Gazette, should circumstances make it necessary.

"The preference of the government has been for a return to normal methods of grain marketing as soon (Continued on Page 9, Column 3).

PREMIER MISINFORMED ON SEVERAL POINTS SAYS SIR ADAM BECK

Hydro Commission Chairman Answers Hon. E. C. Drury and Attorney-General Raney Regarding Hydro Radial Matters.

Sir Adam Beck yesterday issued Los Angeles, Cal., July 18.—Four the following statement in answer to

While the shocks seemed to centra ernment did not authorize the taking in Los Angeles, some of them were felt more than thirty miles away, but, as in this city, no material damage was reported. following statement in reference to Mr. Drury's remarks in The Toronto

World given herewith:
This statement was published on the 15th instant, wherein Mr. Drury is

reported as follows:
"It was found that on the 16th
of October, 1919, an order-incouncil was passed by the late government approving of the terms of the proposed agreement to be entered into with the municipalities in connection with radial railways, but not a word was said about the Guelph Street Railway." Naturally the order-in-council would not make a specific reference to this subject, because all that is required by the Hydro-Electric railway act (section 4, sub-section 4), is that the agreement should be submitted to and receive the sanction of the lieuorder-in-council is, therefore, naturally confined to the statement that the

agreement attached to such order-in-council is sanctioned and approved. "It was also found that in the agreement with the 17 muncipalities nothing was said even about the Guelph Street Railway being part of the radial scheme."

RAILWAYS IN WEST

board definitely in mind when I return in a few weeks," Dr. Reid declared. "The board will be along the lines of the one which operated the eastern lines, that is, five railway officials, with a man who has been actively engaged in managing a railway system

as chairman. Take Care All Men. Shifting in personnel thru the re-organization and amalgamation of the Canadian National Railways, the Grand Trunk and Grand Trunk Pacific was indicated by Hon. J. D. Reid, minister of railways and canals, who arrived in Winnipeg today. Mr. Reid further indicated that the amaigamation would not interfere with the superannuation rights of any of the men on the two systems. We discussed construction, the future of labor supply, and touched on the necessity for higher railroad freight rates. "It is impossible for me to get details of amalgamation," said Mr. Reid, "I have not seen Mr. Hanna, nor have I been over the western lines. So it would be impossible for me to talk of actual changes in personnel or any details of that sort. However, in 22,000 miles of railway, with hundreds of more miles being built, there is going to be no difficulty whatever in taking care of the men now with both systems."

To Build New Lines. In discussing the opening up of new territory. Mr. Reid said: "We are building lines now, and there are more lines to be built. Much construction was halted by the war. Construction is now difficult because of high costs and the scarcity of labor. But I do not really the tis going to handicap us for long."

"Michigan Pikes," about 300 strong, reached Toronto last night, on their two week. jaunt thru Ontario. Left to right, the picture shows: A. J. Bachelor, one of the leading "Pikes"; Dr. J. E. Doolittle of Toronto; C. Galbraith, chairman of the Pikes committee, and Reeve Parkinson, Pert Gredit.
