A Chance to Buy Silks and Dress Goods at Half Price

The chance is yours, providing you're able to make a selection from among an immense gathering of remnants that we're going to offer Monday on the main floor. The collection is to include rich black silks in peau de sole, Armure, Taffeta, Louisine and other weaves—rich black satins, colored taffeta silks in a broad range of attractive colorings. Fancy waisting silks, in taffetas and Louisines—handsome black dress materials, and colored dress materials, including new suitings, fancy tweeds, serges, cheviots, dressy crepes, pretty voiles and a splendid lot of fancy waistings. Altogether the collection is one that offers an excellent choice of brand new silks and dress goods, and mark you, altho they're to be sold under the caption of remnants and at remnant prices, by no means take this as indicating that the lengths are such as can't easily be made use of. The remnants are not mere fragments, but useful pieces for waists, skirts and complete dresses.
