

Earth and rock have been excavated in Section **G**, and the avenue (not named) filled with stone, and the earth used for making a bank for lots in Section **A**, fronting on the avenue over the large culvert.

A piece of land in Section **G** was made ready for single lots and graves.

A piece of land in Section **M** was also cleared and made ready for single lots and graves.

A piece of rock excavation was done in Section **L** and the stone used for filling avenues.

The map mentioned in last year's report has been completed, clearly showing all the boundary lines, avenues and sections.

The invested funds remain as stated in the report of the previous year, viz. :—

Your Trustees have the unpleasant duty of reporting that the late Secretary-Treasurer has been a defaulter to a large amount.

Your Trustees had a Guarantee Bond of \$2,500 which has been paid, thereby reducing the loss by that amount.

The Statistical Returns show the number of interments during the past year to have been 1,100, being an excess of 71 over the previous year.

Your Trustees, after advertising for parties to fill the office of secretary-treasurer, have, after careful consideration and from a number of applicants, the satisfaction to report the appointment of Mr. George Durnford.
