MISS THOMSON AGAIN DISPLAYS HER SKILL.

Won Her Golf Game At Toronto Yesterday—Entries For Moncton Horse Races—American League Baseball Figures—News of the Ring.

Miss Thomson Wins.

Toronto, Oct. 5.—Miss Mabel Thomson of St. John, defeated Miss Dick of Toronto yesterday, in the golf championship, and made an exceptionally fine score of 87. Also making the best score of the day for a lady.

Miss Thomson is playing phenomenal golf and is looked upon as the probable winner of the championship. No woman in the championship seems capable of playing in the steady form of Miss Thomson.

One of the surprises was in the game played by Miss Green, of Montreal, against Miss Harvey, of Hamilton, last year's champion, who was forced to play an extra hole in order to win.

The semi-finals will be played on Thursday, and finals on Friday.

On Local Links.

Yesterday's game of golf between the visiting St. Stephen and home players was witnessed by a large number of spectators at the links. North end. It was ideal weather. The result of the match was as follows:—

Deserved to Win.

Owasso, Mich., Sept. 30.—A sensational incident occurred yesterday during a race between two fast horses owned in this country. Each had won a heat, and in the third heat Harry B. was the lead in the home stretch. Allen Wood coming rapidly behind him. A two year old child ran out on the track, by quick work, Allenwood's driver dodged with his horse, and, as his saddle wheel was caught up and pulled it into the sulky, whipped up and won the race amid the wild applause of the crowd.

Horse Notes.

Lou Dillon went two miles in training at Cleveland track last week in 2:02, 2:03, without wind shield or runner in front.
Pretty Polly's record is 15 races won and \$1,692 sovereigns earned in stakes. She has not yet known defeat.

World's Trotting Record.

Lexington, Ky., Oct. 4.—Gracie Bond broke at least two world's records to win the classic Kentucky Futurity, worth \$14,000, today, and is disputing the time for a third world's record. She gave two of the heats of the race to Alta Axworthy, the prime favorite, but made her own three heats in 2:02 or better, thus establishing a world's record for three-year-old trotters.

ELGIN EXHIBITION WILL BE GOOD ONE.

Budget of News from Petticoat, Miss Dealing With People and Events.

Petticoat, Oct. 4.—Rev. N. McNeill, pastor of the Baptist Church here left a few days ago to complete his theological studies at Hamilton, N. Y. His family are to reside in Havelock during his absence. General regret at his departure from this circuit is manifested.

A new drug store was opened here on Saturday. Dr. Ayer of Brockville being the proprietor.

A new millinery store has also been opened recently, on Main street, by Mrs. Duffy of Hillsboro.

David Colpitts who holds a good position on the Pennsylvania R. R. near Philadelphia, is spending a vacation among his old friends here. Mr. Colpitts was stationed here about 25 years ago in the I. C. R. employ, and sees many changes in the place and people since those days.

The Elgin Fair, which comes off Tuesday, the 12 inst, promises to be quite well patronized by the people from here. That the agricultural exhibit will be held here this fall will have a tendency to draw a number to Elgin, and the horse races, which are always a drawing card, have their usual quota of favorite entries which are expected will make the contest spirited.

A spirited contest is what the approaching election promises in this locality. The Liberal enthusiasts predict a majority of six while the Conservatives contend their majority will be also six.

Canada's Oldest Postmaster.

For nearly fifty-four years M. Teedy has been in charge of the royal mails at Richmond Hill, Ont., thereby earning the distinction of being the oldest postmaster in Canada. He is now 82 years old, and was appointed to office in December, 1850, having first come to this country from Ireland in 1824. At the time of the rebellion in 1837 he was a printer in the old Patriot office in Toronto.

When Mr. Teedy was first appointed postmaster there was no Postmaster-General in Canada, the work of the department being then under the control of the Imperial authorities, with a deputy officer residing in Canada. Those were the days of high postage rates. To send a letter from Richmond Hill to Toronto or fifty miles beyond cost 4 1/2 pence, or 7 1/2 cents; to Montreal, 25 cents; to Halifax, 64 cents. Mr. Teedy has lived to see wonderful changes in the postal system, not least of which is the immense increase in the volume of mail matter transmitted.

Mr. Teedy is still in vigor of mind and body, despite his fourscore years and two, and besides his duties as postmaster he is clerk and treasurer of the village of Richmond Hill. Rev. Father Teedy, of St. Michael's College, Toronto, is a nephew.

SIGNOR MARCONI AN AUTO-SCORCHER.

Wireless Wizard in Trouble in New York for Exceeding the Speed Limit.

New York, Oct. 4.—Mr. Marconi and a young lady were in an automobile that a bicycle policeman chased for several blocks on Boulevard Lafayette Sunday night. The policeman arrested Joseph Grady, the driver, Mr. Marconi protested, but the policeman made all hands go to 152nd street police station. The policeman said he had timed the machine for several blocks and it was going twenty-two miles an hour. The wireless inventor, who was on his way from Lenox, Mass., said he was sure the speed limit had not been exceeded.

"This is the first time we have been arrested, and if you will let me drive, I shall be very careful in future," Mr. Marconi said. Sergeant Lane refused to liberate the driver until Mr. Marconi had furnished \$500 bail.

Medicines Loaded With Alcohol.

**Think of it! The Danger
You Run—Drink Habit
is Easily Acquired, but
Hard to Cure.**

Careful analysis shows that many so-called "tonics" contain little else but whiskey—the rankest, poorest kind of whiskey.

You may unconsciously be using an alcoholic liquid remedy. Some number of your family may be doing so. Your duty is plain; stop it at once.

The test of a tonic is the permanency of its cure. To become strong, you must build up the blood—over-concentrated cure in tablet form. It stimulates the appetite, aids digestion, fills the blood with iron, builds up in nature's way. Never known to fail.

Whether weak from worry, overwork, thin blood or ill-nourished nerves, Ferrozono will quickly make you well. It is safe and harmless, and contains the best tonic and rebuilding medicine made. We recommend you to use Ferrozono if in poor health.

Ferrozono, known as the great food tonic, costs 50c. per box, or six boxes for \$2.50, at all dealers, or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.
