DECLARES CANADA SHOULD CO-OPERATE IN NAVAL AFFAIRS

Lord Lee of Fareham, First Lord of the Admiralty, Says It Would be Profound Mistake For Dominion to be Unconcerned.

(Canadian Press Despatch.)

Montreal, Jan. 22.—Speaking at the University Club here Saturday evening, Lord Lee of Fareham, first lord of the admiralty, and one of the members of the British delegation to the conference on the limitation of armaments at Washington, suggested that it would be a

profound mistake for Canada or for any one in Canada to assume that they have no concern in the British navy, and added that the need for co-operation in the empire navy from every part of the empire still remains almost as vital as it was before the Washington conference. He pointed out that the total budget of the Dominion was within one or two millions the same as the naval estimates for which he, as lord of the admiralty, was responsible and he concluded by hoping "that the very modest contribution which was offered to imperial naval defence at the imperial conference last summer will be honored by the suggested that we have Canada playing the same full and generous part as she has played in military affairs in the past."

Special Price on Evening Suits

Our Evening Clothes ready to wear 20th Century Brand are only rivals of the best the best custom tailors can produce.

They are made by the same grade of high class tailors.

per who said this would be possible if "airmen's islands" or floating fuel bases were stationed at points in the Atlantic where the mail-planes could replenish their fuel. Such a scheme would make possible a speed of 100 miles an hour, he estimated.

It is said that in a recent test a letter despatched from New York by land and sea, went around the world in eighty-nine days, and that this is the world's record to date.

Fresh Milk Always on Hand

YOU simply take Carnation Milk off your pantry shelf. For your cereals or fruit or in tea and coffee you use it as it comes from the container—its creamy richness and wonderful freshness give an added delicious flavor.

For a beverage or for table use, add water as desired.

Thus you always have milk for any need on hand—on time. It is always fresh in summer—never frozen in winter.

Carnation milk is just rich milk with most of the water taken away by evaporation—nothing is added. It comes to you sealed and sterilized—safe.

Buy this convenient milk the convenient way—from your grocer. Order several tall (16 oz.) cans or a case of 48 cans.

Delightful new dishes can be prepared with Carnation Milk—all described in our new cook book, free for the asking. Try this recipe.

MUFFINS.

1/2 teaspoonful salt, 1 tablespoonful sugar, 1 1/4 cups flour, 4 teaspoonfuls baking powder, 1 egg, 2/3 cup water, 1/3 cup Carnation Milk, 2 teaspoonfuls melted butter or substitute. Mix and sift dry ingredients. Add milk with the water to well beaten egg, and add to dry ingredients, then add the melted fat. Bake in oiled muffin tins from fifteen to twenty-five minutes. This recipe makes ten muffins.
