The Times has received from Mrs.
Nice, widow of Fred Nice of the water
and sewerage department who died as
the result of injuries received while on

received a pay from the time of her

learned that the amount was passed all
right but on account of a clerical error
it had not been sent to Mrs. Nice. The

SHORT OF BREATH Cou'd Hardly Walk Without Resting

When you go to a physician to be ex-
amined for any heart trouble one of the
first questions he asks is: "Are you
short of breath?"

Now when the heart becomes affected
there ensues a feeling of a choking sen-
sation, a shortness of breath, palpitation,
throbbing, irregular beating, smothering
sensation, dizziness and a weak, sinking
all-gone feeling of oppression and an-
xiety.

On the first sign of the heart becom-
ing weakened or the nerves unstrung
Milburn's Heart and Nerve Pills are just
the remedy you require. They regulate
and stimulate the heart and strengthen
and restore the whole nerve system.

Mr. Stephen Crouse, East Clifford, N.
S. writes: "I suffered for five years with
heart trouble. I could hardly walk from
the house to the barn without resting as
I used to get so short of breath. Doc-
tors could not help me. My wife told
me to get a box of Milburn's Heart and
Nerve Pills and I felt better after taking
them. Three boxes made me quite well.
I am now helping my son to work the
farm, and can truthfully say I feel like
a different man."

Price 50c a box at all dealers or mail-
ed direct on receipt of price by The T.
Milburn Co., Limited, Toronto, Ont.

GLASS OF SALT CLEANS KIDNEYS

If your Back is aching or Bladder
bothers, drink lots of water
and eat less meat.

When your kidneys hurt and your
back feels sore, don't get scared and pro-
ceed to load your stomach with a lot of
drugs that excite the kidneys and irritate
the entire urinary tract. Keep your kid-
neys clean like you keep your bowels
clean, by flushing them with a mild,
harmless salts which removes the body's
urinous waste and stimulates them to
their normal activity. The function of
the kidneys is to filter the blood. In 24
hours they strain from it 500 grains of
acid and waste, so we can readily under-
stand the vital importance of keeping
the kidneys active.

Drink lots of water—you can't drink
too much of it—get from any pharmacist
about four ounces of Jad Salts; take
a tablespoonful in a glass of water be-
fore each meal, each morning for a few
days and your kidneys will act fine.
This famous salt is made from the
acid of grapes and lemon juice, combined
with lithia, and has been used for gen-
erations to clean and stimulate clogged
kidneys; also to neutralize the acids in
urine so it no longer is a source of irri-
tation, thus ending bladder weakness.

Jad Salts is
