New Act and Vitagraph Feature

Above the Ordinary of Merit

Crowded houses opened the week at the Imperial and a splendid programme.

Some time past in their chosen profession, and Nova Scotians in general will no doubt be pleased to learn that St. John took more than kindly to their efforts, their work meeting and meriting with good hearty applause.

Of the picture programme little cabe said other than that it is perhaps:

little mite more interesting than the

average, the two-part Broncho drama "The Severed Thong," and the Weekl News are the principle features. T Edna Connors Trio is booked for Thui
