

RUSSIANS LED GERMANS INTO TRAP AND BEAT THEM

Petrograd, Nov. 26.—Semi-official advices received from Poland show that the German defeat at Lodz culminating in the capture of a German army corps was the result of a Russian manoeuvre by which the Germans were led into an inextricable trap. The Russian left wing resting on the river Warta and the Russian right wing on the Vistula, both lying along the Warsaw-Kalisz railroad, moved forward in unison in the last two days.

Mention has before been made concerning complaints of local volunteers now in camp at Salisbury Plains. They say they are not getting their letters from home. From the continuance of the complaints it would seem that there is no improvement although letters to Canada reach here in good time. At least four instances were reported at the Times office today wherein letters had been received from the boys overseas saying that they had had only one letter, at most two, since going to Salisbury Plains, and in each case it was said that several letters had been written, and several bundles of papers sent.

THE DAMAGE TO THE GRAND MANAN

The steamer Grand Manan, which was towed into port yesterday afternoon disabled, was beached in the slip near the Thorne Wharf this morning and this afternoon a survey will be made by the port warden. It was found when the left side of the propeller shaft, which is about six inches in diameter, had snapped off near the propeller. The fact that a large piece was broken off of one of the blades seemed to suggest that the propeller had become entangled in something and jammed. Fortunately the shaft broke back far enough from the propeller to allow it to slide back against the rudder post without dropping its place. It is expected that the placing of a new shaft will take a week or two.

THE PRACTICAL GIFT MOVEMENT

There is a movement all over this continent among the large stores, to make this a "practical" Christmas, carrying out the idea of giving only useful and practical gifts, or in other words, Santa Claus is to appear this year in the role of a practical St. Nicholas.

We are heartily in accord with this movement, and we believe the majority of the people of St. John will agree with us.

We have made great preparations to have a splendid display of all sorts of interesting and practical dry-goods. There will be hundreds, we might say thousands, of dainty and useful things to choose from, and even our store has taken on Christmas air.

Remember that practical gifts take more thought and consideration than the ordinary Christmas remembrances, so that it is none too early to begin your buying. Christmas is only a month away and a month ahead is not too long for the average person to work out his or her problem of "practical" giving, so begin now.

IMPERIAL TONIGHT AND TOMORROW

Tonight at the Imperial the final showing of the stirring British picture "Shannon of the Sixth" will be made. Large crowds were much impressed with the dramatic and spectacular quality of this yesterday and as it consumes one hour and a half in the showing, it gives a splendid portrayal of deeds of heroism done during the Indian Mutiny which should be an inspiration to the men of the country at the present time.

Tomorrow and Saturday Imperial Theatre will continue the "Grey of Hearts" serial. The new subject is entitled "Steel Ribbons" and continues in a most spirited way the exciting happenings during the railroad journey of the Trine family, Alan Law and his staunch friend Barcus. In addition there will be a two-act Lubin drama entitled "The District Attorney's Decision" and also the Imperial's new war budget (Recall of Paris) showing how the British drove the Germans out of the city of Ghent in that memorable battle.

Constipation, Indigestion and Horrible Backaches

Searched for a Cure for Years—Advised to Try Dr. Chase's Kidney-Liver Pills and Was Cured.

Where there is poison there is pain. This is a provision of Nature to warn you against conditions that are likely to prove serious.

Constipation of the bowels is one of the most common and the greatest source of suffering. By using one of Dr. Chase's Kidney-Liver Pills at bed-time as often as is necessary to keep the bowels regular you can keep constipation and the consequent indigestion and remove the cause of backache, rheumatism and other painful diseases.

"Daily movement of the bowels" is the greatest law of health. Dr. Chase's Kidney-Liver Pills will help you to form this habit, add to your years, and bring comfort in old age.

Professor A. T. Smith, 1 Mt. Charles street, Montreal, and formerly of Boston, Mass., writes:—"I suffered for many years from bad digestion, constipation and horrible backaches. I have been treated by many doctors without any results. One day a friend in Boston advised the use of Dr. Chase's Kidney-Liver Pills. After using two boxes I noticed great improvement, and after the fourth box I was completely cured. My digestion is good. I never feel any pain in the back. My head is clear, and I feel like a young man. I think Dr. Chase's Kidney-Liver Pills are one of the best medicines on earth.
