AMUSEMENTS IN ST. JOHN; WHAT THE PLAYHOUSES OFFER

LYRIC

The Berin's will close their engagement at the Lyric today after making a most artistic success. For the balance of the week The Fall Ascent Drive is announced, will be the attraction. This is a novel hand-to-hand balance act of two men and a woman; in addition the only woman now doing this kind of an act.

The management announces that they have arranged with the C. P. R. Tel. Co. to install a private wire from which the latest and correct election returns will be received and announced from the stage.

UNIQUE

The Unique will show today, it is announced, for the first time in motion pictures the wonderful horsemanship of the famous champion of Wyoming, Otto Kline and A. Boden, in the great western story Outwitted by Horse and Lariat. The balance of the programme is made up as follows: The Chosen; The Great Western; An American War Drama by the Theatre; The House of the Rising Sun; and Our Inevitable Friend Comedy. On Thursday full election returns will be announced from the stage, made possible by a private wire from the C. P. R. Tel. Co., being installed in the theatre.

THE GEM

A programme of an interesting nature has been announced for presentation at the Gem Theatre for today and tomorrow, and special interest will be attached to the being shown tomorrow in view of the fact that arrangements have been made whereby the election returns will be announced from the stage and also flashed on a certain screen across the street, as soon as it is possible to do so, that is as soon as they are received from the various quarters.

The bill is made up of two uproarious comedies, with two stories of a dramatic or romantic nature. One of the most exciting dramas witnessed at the Gem for some time, is announced to be "The Sheriff's Punishment," a story of a time when for once the sheriff plays the role of the "villain," and is soundly reprimanded for a miserable trick on a young westerner.

The Kalein Co. present a thrilling story of Mexico with a pretty and appealing vein of romance, "The Mexican Filibuster," which deals with contraband of war and has many exciting incidents.

THE STAR

"The Visiting Nurse" by the Selig Company will be shown in the Star theatre in the North End on Wednesday and Thursday. This drama gives a good idea of the work of the visiting nurses' association in large cities. A very thrilling western drama by the Lubin Company entitled "The Sheriff and the Man," is also presented. "Alkali Ike's Auto," a roaring comedy, it is said, will prove the funniest western comedy the Star has had. Miss Fremando, "The Spanish Song Bird," will sing "She's the Sunshine of Her Old Kentucky Home." Thursday night the Star will open at 5.30 and give its patrons election returns, as they come in over the wire from all parts of the Dominion. They will be thrown on the curtain of the theatre.

Do you want Mr. Bourassa to hold the balance of power in Canada, as he would do if Mr. Borden won with his assistance? If not, vote for Dr. Pugsley and Mr. James Lowell.

THE DEFEATED PARTY

The Conservative leaders deluded themselves into the belief that their loyalty cry would sweep the country. This fact explains their jubilant predictions early in the campaign. But, as time passed and the people sized up the loyalty cry and the men who were raising it, the whole thing collapsed. The expected stampede of Liberals to the Tory side did not take place. The movement was the other way. As soon as it became evident that the people were studying the real issue, and paying no attention to the frantic waving of the flag, the Bourassa alliance was halted with joy as a possible means of defeating Sir Wilfrid Laurier. But the people of Canada refused to endorse the Anti-British policy of Bourassa, and now, on the eve of battle, the Conservatives find themselves marching to utter defeat.

ARE THESE GREAT MEN OF EMPIRE DISLOYAL?

Read Expressions of Asquith, Lloyd-George, Balfour and Haldane, All in Favor of Reciprocity

PREMIER ASQUITH.
Reciprocity is a sensible trade agreement which would benefit Canada and operate in the best interests of the Empire.

CHANCELLOR LLOYD GEORGE.
I rejoice that it has been negotiated and heartily trust it will carry to a successful conclusion. I regard it as a great triumph of common sense, an immense stride in the cause of Free Trade and a step forward toward the fraternity and co-operation of the English-speaking family.

MR. B. A. J. BALFOUR.
Great Britain is simply the first among equals so far as the self-governing parts of the Empire are concerned and it is not our business to comment upon or criticize the actions, motives, or aims ended at by our brothers.

LORD HALDANE.
We hold that it is not disadvantageous for us that Canada should develop by the growth of trade relations with the United States. We hold that an enlarged Canada—a Canada with a great trade of this kind—cannot fail to be a more prosperous Canada, a Canada which will be a better market for our goods, and which will do more trade with ourselves. Therefore, from every point of view we look upon the step which Canada has taken as being probably a very good step in our own interests, as well as in the interests of Canada.

LONDON TIMES.
We cannot tell how far the sporadically raised cry of annexation is influencing Canadian opinion, but there is no reason that the reciprocity agreement would produce any tendency in that direction. On the contrary, bargaining on equal terms with the United States rather than diminishing the self-reliance and importance of the Canadian people. We should be the last to believe that Canada's acceptance of American terms implies any weakening of allegiance to British Imperial idea. It implies, in our opinion, nothing of the kind.

Battling Nelson Wins a Bout.

Boston, Sept. 20.—Battling Nelson, the former lightweight champion of the world, hammered his way to a victory by his bout with Billy Nixon, of Cambridge, at the Army Club last night. The referee stopped the fight in the tenth round of a scheduled 12-round contest. For seven periods, Nixon, blinded by the swings of the former world's champion, fought pluckily on, and received a terrible battering.

No Johnson-Wells Fight Likely.

London, Sept. 20.—The feeling against the Johnson-Wells contest has gathered such force that it probably will be abandoned, or stopped by the government. The Archbishop of Canterbury has written to the home office, urging that action be taken to suppress the contest, and this has served as a focus for adverse opinion.

Nine bishops and many leading religious men, the lord mayor of Manchester, Liverpool, and other big cities, and leading sportsmen like Lord Lansdale, Lord Kinaird and Lord Harris, have joined in condemning the match, while the Telegraph, the Chronicle, and other influential papers have followed the Times in urging the government not to permit the contest.

Rev. F. B. Meyer, who was one of the original opponents of the match, has offered to raise a public fund to reimburse the promoters in the amount of their loss if they will undertake to abandon the contest.

WOULD SCREAM FOR HOURS WITH ECZEMA

Baby Dreadful Sufferer. Could Not Keep Him from Scratching. Every Joint Ached. Used Cuticura Soap and Ointment and He Is Well.

"Enclosed find my photo and I feel by writing these few lines to you I am only doing my duty, as my son was a dreadful sufferer from eczema. At the age of two weeks he began to get covered with red spots on his legs and groin, which mother thought was red gum, but day by day it grew worse until every joint and baby started screaming for hours day and night, such a thing I had never seen. I took him to a doctor, but he said it was eczema, and I was told to use Cuticura Soap and Ointment. I began to use Cuticura Soap and Ointment, and in a few days the red spots had disappeared, and in a few more days the baby was well and happy. I feel that I ought to mention this to you, as it may help some other mother who is suffering from eczema. I am, Sir, your obedient servant, Mrs. G. M. Martin, Knight St., Brighton, Surrey, Eng., U.S.A."

Cuticura Soap and Ointment are sold everywhere. Write for a 32-page book on the care and treatment of eczema, and how to keep it free on application to Foster Drug & Chem. Co., 50 Columbia Ave., Boston, U.S.A.
