

St. Andrew's W. F. M. Auxiliary, 1891.

In presenting the Thirteenth Annual Report of St. Andrew's W. F. M. Auxiliary we shall give a brief sketch of the work done during the year.

At the commencement of the year 1891, a committee of eight members, with the officers of the Society, was formed, who held meetings once a month at the homes of the different members; these were opened with devotional exercises, the President presiding; the programme for the monthly meetings was arranged, and we are pleased to state that all the members have taken part in Bible readings, prayer, or prepared papers on Missionary subjects.

In our monthly meetings we are deeply indebted to Miss Gunn, who kindly gives her services as organist.

We were not represented as an Auxiliary at Glencoe. This year the Presbytery will be held in St. Andrew's Church, and we hope the women of our Church will be largely represented.

In February a paper was sent from England asking us to sign a petition to be forwarded to the Emperor of China petitioning him to prohibit the use of opium in his Empire.

Circulars were placed in the pews giving a list of the articles required in our Indian Mission Schools.

At the suggestion of the Presbyterial Society \$3.00 was paid to purchase a Magic Lantern and views of Mission Stations for the use of Auxiliaries.

In June Mrs. Fletcher gave a Lecture in aid of our Society, on "Our Mission Schools of the North-west, and the Religious Condition of the Chinese in Vancouver and British Columbia."

In August the gifts sent to India by the different Auxiliaries in the London Presbytery were exhibited in the Bible Class room. The value of articles sent by us was \$53.49.
