Visitors to St. Andrews can obtain agree-
able and pleasant quarters at Economy's Hotel,
one of the best houses in the Province. The
rooms are large, well ventilated and nicely fur-
nished, and command a view of beautiful scenery
of the surrounding country, diversified by
land and water, and fitted with all modern
conveniences. The hotel is always supplied
with the best from the town and surrounding
markets, while every thing in season may be
found at the table, with obliging and polite
waiters. The location is within a short dis-
tance of the Railway, and Steamboat landing
and near the bathing place. Connected with
the establishment, is a large livery stable. In
a word, the house is a favorite resort for men
of business, and visitors generally. 25-171

Fresh ground GRAHAM FLOUR,
at CAMPBELLS.

AN EMINENT PHYSICIAN, OF LARGE EXPER-
IENCE, who has made Pulmonary Consumption
a specialty, says that although in the worst and
most rapid forms of the disease, we have at hand
to confess the medicine is almost powerless, yet
in those less overwhelming and in those in
chronic which happily constitute the far greater
number of cases, we have been able to acquire
many proofs that much may be done to mitigate
to prevent, to retard, to cure, and even to arrest
and cure this most destructive of human mal-
adies. His experience of fifty years leads him to
assert that the "great remedy, more efficient and
more effectual than any other is Cod Liver Oil."
BUT, WHO CAN TAKE IT? Robinson's
Phosphorized Emulsion of Cod Liver Oil, with
Lactophosphate of Lime, contains all the vir-
tues of Cod Liver Oil in a form and combination
most desirable to obtain its fullest effects. ANY
BODY CAN TAKE IT!

THE GREAT CAUSE OF HUMAN

MISERY.

We have recently published a new edition

of Dr. CULVERWELL'S CELEBRATED ESSAY

on the radical and permanent cure (without

medicines) of Nervous Debility, Mental and Phys-
ical Incurability, Impediments to Marriage, &c.,
resulting from excesses.

Price, in a sealed envelope, only 6 cents,
or two postage stamps.

The celebrated author in this admirable Essay
clearly demonstrates, from thirty years' successful
practice, that alarming consequences may be rad-
ically cured, without the dangerous use of inter-
nal medicine, or the application of the knife—
pointing out a mode of cure at once simple, cer-
tain and effectual, by means of which every suf-
ferer, no matter what his condition may be, may
cure himself cheaply, privately and radically.

This Lecture should be in the hands of
every youth and man in the land.

Parks' Cotton Yarns!

Awarded the Only Medal Given at the
Centennial Exhibition
For Cotton Yarns of Canadian Manufacture.

No. 5, 5's to 10's.
WHITE, BLUE, RED, ORANGE and GREEN.
Made of Good American Cotton with great care
Correctly numbered and warranted Full
Length and Weight.

WE would ask the purchasers of Cotton Yarn
to remember that our Yarn is spun on Tur-
lock Frames, which make a stronger yarn than the
Ring Frames, used in making American yarn.

It is also better twisted and more perfectly reeled
than any other yarn being put up in 7 leas of 120
yards each. This makes it much more easy to
wind than when it is put up without leas—as the
American is—and also saves a great deal of
waste.

Those acquainted with weaving will understand
the great advantage it is to them to use yarn put
up in this manner.

COTTON CARPET WARP,
Made of 10 Yarn, 4-Ply Twisted.
WHITE, RED BROWN, SLATE, &c.
All fast colors.

Each 5 lb bundle contains 10,000 yards in
length and will make a length of carpet in pro-
portion to the number of ends in width.

We have put more twist into this warp than it
formerly had, and it will now make a more du-
rable Carpet than can be made with any other ma-
terial. Since its introduction by us, a few years
ago, it has come into very general use throughout
the country.

All our goods have our name and address upon
them. None others are genuine.
