Q Have you anything else to tell the Court ?

A No, sir, that's all the evidence I have.

Q ---DEFENDING OFFICER CROSS EXAMINES: Would you answer this question, C.Q.E.S. Gelinas. Are eyeshields expendable ?

A No, sir.

Q They are not expendable ?

A No, sir.

Q You have Ordnance Orders to that effect ?

A Yes, sir.

Q If proven otherwise, what would your statement be ?

A Whether the articles were expendable or not, we would still charge them. We show the price as listed in the Ordnance catalogue. Usually expendable articles like blacking, we don't charge.

Q Is it true that many men go out of this Centre with eye shields missing and they are not charged with same ?
