LACROSSE.

It was a very ragged game of lacrosse that a large number of Victorians went to Caledonia Park to witness on Saturtoria had a decidedly weak team, and stronger one it was some time before played. The Vancouver men looked very neat with their new gray suits, being a decided contrast to the shabby phy, of Vancouver, behind the flags. Mr. Smith, however, retired after the second game, Vancouver disputing a goal that he gave to Victoria, and Mr. Murphy retired after the third game for not giving Victoria a game claimed by them. They were succeeded by Messrs, R. L. Drury and E. V. Bodwell. There was no dissatisfaction whatever with Mr. Eckardt, none of his decisions being disputed.

The first game started with attacks at both ends of the field, both homes making determined efforts to score, giving the defences chances to distinguish themselves. For Victoria Belfry, Coldwell and W. H. Cullin played hard and steadily, saving the flags time and time again, while Vancouver's flags were well looked after by J. Quann, Quigley, F. Miller and Suckling. After eight minutes' play Campbell scored for Vancouver. Although the second game was won by Victoria it was pretty well a repetition

of the first. The older players on the Victoria team were trying to cover both their own checks and those of the weaker members of the team, giving the visitors a chance to play a good combination game. Finally Bland, who had been The Amities have been invited to go pretty closely watched by his older and to Tacoma on the I.O.O.Fli excursion heavier check, Suckling, secured the ball, on August 17th and play a match with and, taking a shot from mid-field, scored
