

MORE SPEECHES BY CHAMBERLAIN

FEELING IN STATES TOWARDS HIS POLICY

Irish Secretary Wyndham Urged Linking of Canada Directly With the Mother Country.

Liverpool, Oct. 28.—Joseph Chamberlain continued his fiscal campaign here to-day by delivering two speeches along the line of his former addresses. Mr. Chamberlain was the guest of the Lord Mayor of Liverpool at luncheon, and was afterwards presented with an address by the Workingmen's Conservative Association.

In the course of his speech at the luncheon, Mr. Chamberlain said: "Throughout the length and breadth of the United States of America we find an expression of feeling not so much against my fiscal policy, but rather a desire that the United States should be prepared to meet this policy, if possible, by concessions which would remove the difficulty with which we have to contend. If they fail to meet us we will be forced to retaliate by placing duties upon their goods."

WYNDHAM'S SPEECH.

London, Oct. 28.—The chief secretary for Ireland, Mr. Wyndham, speaking at Dover to-night, said that unless England was prepared to lose her prestige she could not afford to see Canada dominated by American capital. With fiscal reform as proposed by Mr. Chamberlain, said Mr. Wyndham, Canada could become the granary of Great Britain. He strongly urged the linking of Canada directly with the Mother Country. This, he said, must be done whether it be accomplished by Mr. Chamberlain's method or by some other.

BROTHERS ARRESTED.

Held by Police Pending Investigation Into Murder Mystery.

Allentown, Pa., Oct. 28.—Thomas, Charles and John Bechtel, the brothers of the missing Mabel Bechtel, are being held by the police station with Alfred Eckstein as witnesses in the case. Chief Eastman and Policeman Whitehead and Jacobs made another search of the Bechtel house to-day and found blood stains on the floor and wall in the second story front bedroom and a blood-stained lathing hammer hid in the garret.

The belief is that a family row occurred at the Bechtel home in which one or more of them are implicated in the murder of the girl.

Mrs. Bechtel's story that she heard dogs barking, saw a team in the rear yard and two men carrying an object into an adjoining yard early on Tuesday morning is not credited. Neither do the police believe that Miss Bechtel was away from home on Monday. Cabmen, livermen and resorts for miles around have been visited by the police, but no information has been secured, neither had Miss Bechtel been seen.

ONTARIO BY-ELECTIONS.

Results Leave Parties As They Were Before Contests.

Brazebridge, Oct. 28.—A. A. MacLachlan, Conservative, was elected yesterday by a majority of 178 over Dr. Henry Liberal. For the vacant seat in the Ontario legislature, caused by the death of Dr. Bridgeland, Liberal.

Sault Ste. Marie, Ont., Oct. 28.—The bye-election held here yesterday to fill the seat in the Ontario legislature resulted in a victory for the Conservative, Miss Campbell, Conservative, resulted in the election of C. N. Smith, Liberal, by a majority of 200, with several places to lose from which will increase the majority. His opponent was the unseated member, Miscampbell.

IMPALED ON FENCE.

Man Jumps From Burning Hotel and May Die of His Injuries.

Missoula, Mont., Oct. 27.—J. H. Parrault, a plasterer from Spokane, jumped from the third story window of the burning European hotel Monday morning and was impaled on a fence, suffering injuries from which he may die.

The hotel, which was a landmark of the city, was gutted by the fire, and the boarders lost all their effects, barely escaping with their lives. The property loss is \$8,000, fully insured.

TUBERCULOSIS.

Philadelphia Doctor's Address Before Public Health Authorities.

Washington, Oct. 28.—The American Public Health Association to-day further considered the subject of infection of human beings with animal tuberculosis, and listened to several papers on the collection and distribution of garbage. In the discussion of the former subject, Dr. Mazzyck P. Raynon, of Philadelphia, requested the disinfection of Federal animal stock authorities to permit criminals condemned to death to be inoculated with the tubercular germ in the interests of science. He emphatically controverted the common theory that spurtum is the underlying cause of tubercular infection, and said that there is not a bit of evidence that it ever caused a single case of tuberculosis in mankind.

Among the guests at the Driland are: Miss Snowball, daughter of Lieutenant-Governor Snowball, of New Brunswick, and Miss Whitehead, daughter of W. T. Whitehead, M. P., of Fredericton, N.B.

RUSSIA IN MANCHURIA.

Will Remain Until Far Eastern Affairs Are Settled in Accordance With Her Views.

St. Petersburg, Oct. 28.—A dispatch from Port Arthur says the Onyaykan, a newspaper edited by a member of Visseroy Alexieff's staff, after reiterating the assertion that the Russian troops will remain in Manchuria until Far Eastern affairs are settled in accordance with Russian views, proceeds to outspokenly lecture the Japanese, necessarily with the approval of the Russian censorship. "Now," says the Novykrak, "is precisely that proper moment for Russia to establish a political equilibrium in the East. The Japanese have failed in Formosa because they do not understand how to colonize. The efforts of the Japanese to obtain settlements in Korea, having their own jurisdiction, would lead to the subjection of the Koreans and impair the sovereignty of Korea. Japan has not yet attained the status of a European state and cannot be entrusted with the rights of the European pioneers of civilization on the continent. All that can be tolerated is the immigration of Japanese into Korea under control."

GOVERNOR-GENERAL OF THE CAUCASUS ATTACKED AND WOUNDED WHEN DRIVING WITH HIS WIFE.

Tiflis, Oct. 28.—Prince Galitzin, governor-general of the Caucasus, had a narrow escape from assassination yesterday on the outside of the town. Three natives stabbed the governor-general three times. They fled, but were subsequently shot down by Cossacks.

Prince Galitzin was driving with his wife when the would-be assassins rushed upon the carriage, daggers in hand. Two seized the governor-general and attempted to drag him from the vehicle, while the third man inflicted two ugly wounds on the Prince's head, and a third cut on the hand. A Cossack, who was in attendance upon the Prince, threw himself upon the assailants. While a hand to hand fight was in progress, the carriage was driven off at a gallop.

Ultimately the assailants fled, followed by a mounted squad of Cossacks, who hurried to the scene, and chased the fugitives through the brush, firing constantly with their rifles. They killed one man instantly. The other two were shot down and died soon afterwards.

After his injuries had been dressed, Prince Galitzin was taken to the hospital, given by the citizens of Tiflis. The attack has produced great indignation, the governor-general having become popular on account of his interest in the welfare of the inhabitants. Owing to the excitement, performances at the theatres were suspended.

The thickness of the cap worn by the Prince saved his life.

Dispatches from Trans-Caucasia within the past month show considerable unrest at Tiflis owing to the transfer of the Armenian church property to the Russian government under the decree of June, 1902. Disputes have been reported at various points at which quite a number of lives were lost, and the Armenian church authorities are said to have threatened to transfer the headquarters of the Armenian Catholic church to another country.

Prince Galitzin, who was sent to his present post a year ago last April, was charged with having recommended the transfer of the church property and several times his life has been threatened.

YOUNG WOMAN MURDERED.

Body Found By Her Mother in an Alley Near Her Home.

Allentown, Pa., Oct. 27.—Mabel H. Bechtel, aged 21 years, was murdered last night, and her body placed in an underground alley adjoining her home, where it was found to-day by her mother. Her skull was crushed, but there were no other marks of violence on the body.

Miss Bechtel went driving yesterday morning with David Weisenberg, and this was the last time she was seen alive.

Mrs. Bechtel, mother of the murdered girl, was aroused shortly after 7 o'clock this morning by the barking of dogs. Upon looking out of her window she saw two men carrying an object into an adjoining yard and place it in the underground alley near the house. She made no investigation, but this morning she found her daughter's shoes, hat and coat in the dining-room.

Later the body of Miss Bechtel was found in the alley.

APPEAL CASES.

Judgment Reserved in North Vancouver vs. Tracey—A Rossland Action.

Ottawa, Oct. 20.—Arguments in the case of North Vancouver vs. Tracey was concluded in the Supreme court to-day, and judgment reserved.

The case of Hastings vs. Le Roi No. 2, Limited, was next taken up. The judgment at the trial before Mr. Justice Irving and a jury at Rossland, B. C., when a general verdict for \$3,400 damages was received by appellant on account of injuries sustained through the defective hoisting gear of the Jesse mine allowing a heavy iron bucket to fall down a 700 foot shaft, which struck him while he was at work on that level.

The Supreme court of British Columbia held that the accident occurred through the neglect of a fellow servant in changing a clevis for a snap hook after the company had provided safe and suitable appliances in connection with the hoist. Mr. Shipley appears for appellant and Mr. Davis for respondent.

WOMAN'S PRAYER

It is notable that in the despondency caused by woman's diseases, there seems to be a suffering woman no price of escape from pain except at the price of life itself. It would be sad to record such a struggle and suffering except for the fact that in such dire distress many a woman has found a way back to health and happiness by the use of Dr. Pierce's Favorite Prescription.

The one and only remedy for leucorrhoea, female weakness, nervousness, prolapsus, or falling of the womb, so common ailments of women, as to warrant its makers in offering to pay, as they hereby do, the sum of \$500 reward for a cure above maladies which they cannot cure.

Your medicine almost raised me from the dead. The Mrs. Edwin H. Gardner, of Egypt, like brick dust, and I had pain all over me, and such a dragging feeling I seemed I could not do my house work. One day I found a little book at my sister's house, and in a few days received an answer. I decided to try it, and to-day I am a well woman. I have no backache, headache, or pain at all. I used always to have headaches previously to the monthly period, and such pain that I would roll on the floor in agony. I took three bottles of Dr. Pierce's Favorite Prescription, and I feel like a new woman. I feel like a new woman. I feel like a new woman.

Accept no substitute for "Favorite Prescription." There is nothing just as good. Dr. Pierce's Common Sense Medical Adviser—sent free on receipt of stamps to cover expense of customs and mailing only. Send 31 one-cent stamps for the book in paper covers, or 52 stamps for the cloth bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

THE BURDICK ESTATE.

Widow of Murdered Man Will Be Given Full Control of Property.

Buffalo, Oct. 26.—Surogate Marcus will to-morrow hand down a decision by which Mrs. Burdick, widow of Edwin L. Burdick, will gain full control of the property left by her husband.

Under the terms of the will drawn up by Burdick a short time before he was murdered, his three children were to be pigned in the hands of three guardians, his estate was to be managed by four executors for the benefit of the children. The clause of the will relating to the care of the children was the first one attacked by the legal representative of Mrs. Burdick. She retained possession of the children pending a decision on the contested clause, which was eventually decided in her favor, so that the children have never left her custody.

The administrators named in the will have managed the estate and turned the income over to Mrs. Burdick, as legal guardian of the children. By the decision to be handed down to-morrow the most important clause of the will, which will be declared void. The will was drawn after the divorce proceedings were begun by Mr. Burdick. Under its provisions Mrs. Burdick was cut off without a cent.

MURDERER SENTENCED.

Ernest Cashel to Be Executed at Calgary on December 15th.

Calgary, N. W. T., Oct. 27.—Ernest Cashel was this morning found guilty of the murder of Isaac Rufus Bell. He was sentenced to be hanged on December 15th. Chief Justice Sifton delivered the charge to the jury. The jury was out half an hour. When the judge asked the usual questions for a statement, Cashel replied: "I have nothing to say except I ain't guilty." The judge referred to the length of the trial, and said that in the light of the evidence he did not see what other verdict could be given.

Rufus Bell, a rancher in the Red Deer country, disappeared last fall. Bell's body was found this spring in Tail creek, a tributary of the Red Deer river, with a bullet wound in his back. Cashel was arrested, and has been on trial for the past two weeks.

CANADA'S OFFER TO SOUTH AFRICA

WILL GIVE PREFERENCE GRANTED MOTHER COUNTRY

In Return for That Contained in the Customs Union Tariff of Colonies.

Ottawa, Oct. 29.—It was decided at yesterday's cabinet meeting to offer the South African colonies the tariff preference of 33 1/2 per cent, now granted to the mother country, in return for the preference contained in the customs union tariff of South Africa. In March, 1903, a customs union was formed in South Africa, the parties to it being Cape of Good Hope, Natal, Orange River Colony, Transvaal and Southern Rhodesia. It provides for a common tariff with preference to goods produced and manufactured in the United Kingdom. This preference is somewhat variable. The tariff is divided into five classes. The first class comprises specific and ad valorem duties; second class is mixed ad valorem; fourth class is free goods and under the preference. The offer of Canada, therefore, is that she will give to South Africa her preference in return for South Africa's preference.

MRS. BOOTH-TUCKER DIES OF INJURIES

FATALLY CRUSHED IN A RAILWAY WRECK

The Deceased Was a Daughter of the Founder of the Salvation Army.

Kansas City, Mo., Oct. 29.—Mrs. Emma Booth-Tucker, consul in America of the Salvation Army, wife of Commander Booth-Tucker, and second daughter of Wm. Booth, founder of the Army, and Col. T. C. Holland, in charge of the Salvation Army colony at Amidty, Colo., died at Marcelline, Mo., after midnight, from injuries received in a wreck of the eastbound California train on the Santa Fe railway at Dean Lake, Mo., 85 miles east of Kansas City, at 9:30 last night. Both lived several hours. Fifteen others were injured more or less seriously.

Mrs. Booth-Tucker was on her way home from a visit to the colony at Amidty. She left Kansas City last evening, and was to have met Commander Booth-Tucker, her husband, at Chicago to-day. Although the wreck occurred at 9:30 it was not known until after midnight that Mrs. Booth-Tucker was among the injured. The first news that the noted Army worker had been hurt was received in this city at 2 o'clock this morning, when it was stated that she had been fatally injured and died at 1 o'clock last night. This report of her death, however, proved premature, and she was taken to the hospital, where she died at 1 o'clock this morning.

The train ran into an open switch, striking a steel water tank, and all save the mail, express and day coaches were wrecked. Consul Booth-Tucker and Col. Holland were in one of the Pullmans.

Dean Lake, the scene of the wreck, is a wooded place, and there was great delay in taking care of the injured and getting them started for Marcelline.

After the train bringing the injured had finally started it was delayed by the breakdown of a truck, and did not reach Marcelline until nearly five hours after the wreck occurred.

At the Salvation Army canteen in Kansas City, news of the death of their favored leader caused great grief, and at first the officers refused to give credence to the report.

Mrs. Booth-Tucker, who was Miss Emma Booth, married Frederick Tucker in 1888. He assumed her name as part of his own name, and she has since lived several years after the marriage. He was commissioner of the Army in India. Mr. and Mrs. Booth-Tucker were appointed to command the Army in America, in March, 1896, succeeding Eva C. Booth, who had supplanted her brother, Ballington, who had been removed by the general. Mrs. Booth-Tucker was said to be the ablest of all the Booth children. She had an enthusiasm tempered with cool judgment and executive ability. It was these qualities which induced her father to send her to America in 1886 to try to bring about harmony in the American branch of the Army. The following characterization was made of her at that time: "She has that rare quality of perfect sympathy. She is a well educated woman in the sense that she can think and write clearly in good English. She has no class prejudices, and is just as much at home in the parlors of a house of Fifth avenue as in the one and only room of a small family. But it is in public meeting that her real power shows itself. As an orator she ranks with less than half a dozen Americans of both sexes."

Commander Booth-Tucker had arranged to meet his wife in Chicago, and left this city yesterday for that purpose. The following telegram was received at headquarters to-day from Booth-Tucker's secretary, Ensign Hester Danness, who was also on the train, but was not injured: "Consul passed from earth to Heaven. Bringing body on board same train. (Signed) Danness."

Commander Booth-Tucker, it is expected, will arrive in Chicago in time to meet the train that is bearing his wife's body to that city.

PROSTATE WITH GRIEF.

Chicago, Oct. 29.—Commander Booth-Tucker, who arrived in Chicago to-day, was prostrated by the shock of his wife's death. He declined to be interviewed, and denied himself to all but intimate friends.

Ensign Agnew, speaking of the commander, said he had thus far made no plans for the immediate future.

THE NEWS IN LONDON.

London, Oct. 29.—News of the death of Mrs. Booth-Tucker at Marcelline, Mo., last night, from injuries sustained in a railway accident at Dean Lake, Mo., reached the international Salvationist headquarters here through a dispatch to the Associated Press. The heads of the international department immediately held a short service and dispatched a cable message of sympathy to the Salvation Army headquarters in New York. General Booth lives out of town, and Beannell Booth was commissioned to go to his residence and break the news of the death of Mrs. Booth-Tucker.

ARCHBISHOP BRUCHELI, OF MONTREAL, IS IN SEATTLE, THE GUEST OF BISHOP O'DEA.

Interviewed here he said: "My trip is merely occupying the time of my vacation. Two weeks ago I left Montreal over the Canadian Pacific railway en route through British Columbia. I stopped one week in Victoria, where I saw Archbishop O'Leary, and also the Sisters of St. Ann, whose home is in Montreal. Bishop O'Dea and I are old friends; the bishop was a student in our old school, the Seminary of St. Charles, Montreal. Bishop O'Dea has sent several students from Seattle to his old seminary, thus renewing through those he knows here his acquaintance with the place."
