

On  
every  
package of  
Oriental Dyes  
you will find this  
cut of a pyramid. Call  
and see the samples dyed  
by us. Every one remarks  
on their beauty and brilliancy.

## ORIENTAL DURABLE DYE CO.

LONDON, ENG. PARIS, FRANCE.

IN late years, numerous kinds of package dyes have been highly advertised, but found most unsatisfactory to use. Some advertisements have even gone so far as to accuse the druggist of substitution when he recommended superior dyes to those advertised. Now we have gone to a great deal of trouble to ascertain which were really the best. In our own laboratory we have had samples of cloth dyed of all the different colors. It took months to test and select the best, and we now unhesitatingly recommend-

### “The Oriental Durable Dyes.”

*We select and publish three of the many testimonials received:*

J. MURRAY, Proprietor of the Hamilton Rug Works, 471 York Street, Hamilton, says: “Having been in the carpet business for over twenty years, we have used all kinds of package dyes and we have found that the ORIENTAL PACKAGE DYES, without exception, have given much better satisfaction than any other kind that we have used. The colors are bright and lasting. We are pleased to give this testimonial of their value.”

MRS. E. RICE, North Seneca, says: “I have used quite a number of packages of Oriental Dyes and have found them give perfect satisfaction, in fact are much stronger than other dyes I have used.”

MR. WEBB, Caistorville, General Store, says: “Many of my customers have remarked that Oriental Dyes are stronger and will color many more goods a perfect color than other package dyes. I would like to exchange my package of Diamond Dyes for the Oriental Dyes.”

**These Dyes are sold at 9c a Package or 3 for 25c**

**PARKE & PARKE, Druggists, 16 Market Square, Hamilton.**
