Six Year Old Girl Crushed to Death by Auto Truck - Terrific Typhoon in Japan.

Manchester, N. H., Aug. 30.—Rose Corbett, six years old, daughter of Mrs. and Mrs. Onesta Corbett, of 28 Church street, was almost instantly killed by being struck and crushed by a heavy automobile truck owned by the W. H. McElwain Shoe Manufacturing Company, at the corner of Pearl and Clark avenues.

1,000 DEAD IN TYPHOON.
Tokyo, Aug. 30.—A typhoon has raged over Japan for several days and its results are more disastrous than first reported. The fatalities perhaps will aggregate 1,000.

EIGHT KILLED IN EXPLOSION.
Pittsburg, Pa., August 30.—Eight men were killed and six injured when the boiler of the tugboat "Pilot" exploded in the Ohio river, near here, this morning. The dead and injured were members of the crew.

CAUGHT SMUGGLING.
New York, August 29.—Morris Lieberman, a manufacturer of bed springs in Chicago, is home, with his wife, after a visit to Germany, brought a bale of goods which interested Acting Deputy Surveyor Isaac Harris. He asked that the bale be opened and Lieberman objected.

Then, of course, it was opened. Inside were found two Russian sable skins, from which Mrs. Lieberman expected to make a fine fur coat; also four silver candlesticks. A search of Mrs. Lieberman's clothing brought forth two silver cake servers and two silver cigarette holders. Mrs. Lieberman transferred the cigarette holders from her stockings to the inside of an umbrella on the ship, but she was observed by an inspector. She also had under a glove a new diamond ring. All the articles were seized and the Liebermans were taken to the Customs House to explain to Surveyor Henry.

REAL ESTATE.
A period of inactivity in real estate here has been in vogue, demonstrating actual values, and has shown conclusively that the faith of investors in local real estate was well founded. There are few cities in Canada which have stood the test so well.

As a matter of fact, the prices of St. John property are in most cases declared well below actual values and this city should be one of the first to show the results of the revival of interest in real estate investments.

A single recent sale is several reported by Taylor & Sweeney. These include the purchase, by John E. Monahan of West St. John, of a house with three storeys and basement, double family dwelling, 139 Elliott Row, formerly known as the Thomas Shanley property. This building is situated on a city leasehold lot and has a commodious carriage house in the rear. It was sold by H. A. Black, of Boston, who purchased it only recently and has made a quick turn-over.

Another sale by the same firm is that of two detached, modern dwellings, recently remodelled, situated on a freehold lot, 40 by 100 feet, 110 by 112 Ludlow street, near King street, West End. This property was purchased by John F. Monahan from St. George's church only about six months ago.

Taylor & Sweeney also recently completed the sale of W. G. Dunlop's modern two family brick dwelling on Freehold lot in King street east to Philip Grauman. This property has since been transferred by Mr. Grauman to John McDonald, Jr., of the Department of Indian Revenue, Mr. Grauman taking in exchange the Estabrook's property in Douglas avenue, which Mr. McDonald had recently bought.

Roth & Gates reported the sale of the second new self contained dwelling erected on Fairville Plateau, to a local man who will occupy it. The owners of the property have been so well satisfied with the demand for such property that they are preparing to commence immediately the erection of two more dwellings.

In addition to this, two other lots on Fairville Plateau have been purchased by local men, who intend to erect homes for themselves.

SUES FOR DIVORCE.
Fredericton, Aug. 30.—Alexander McGehee, section foreman on the C. P. R., of this city, has commenced an action against his wife, Mrs. Adelaide McGehee, for divorce.

One day my husband got the neighbors in to see what the matter was but they could not help me. My first thought was for Lydia E. Pinkham's Vegetable Compound and I sent my husband out for it and took it until I was entirely cured. I am a woman of perfect health and my health and happiness came from Lydia E. Pinkham's medicine. KILLED IN MINE AT THE BATHURST MINES

Arthur Patterson Victim of Mysterious Accident in Crushing Plant - An Inquest will be Held.

Special to The Standard.
Bathurst, N. B., Aug. 30.—Arthur Patterson, aged 23 years, was killed this morning between 7.30 and 8 o'clock at the Bathurst Mines. Mr. Patterson was a foreman in one of the departments, and at the time of the accident was working alone in the crushing mill. No one knows exactly how the accident occurred, as there were no other witnesses, but he was found unconscious by a fellow employee about nine o'clock.

He only lived a short time after being found. He was unmarried and belonged to Bathurst. The body is being brought to Bathurst this afternoon and an inquest is to be held.

BRUTAL ASSAULT ON WOMAN IN LANCASTER

On Friday night one more was added to the already long list of assaults on women committed at Tilton's corner, Lancaster. As usual the assailant managed to make good his escape, while his victim lies seriously injured and suffering from nervous prostration. Had it not been for the interference of Alexander Cruikshank there is not telling what might have happened. As it was Mrs. Hanson, G. Kelly, when raised from the ground to which she had been thrown, was bleeding at the mouth. She was also badly bruised by the rough handling she received and it will be some days before she will be able to be around again.

Vital Statistics.
Sixteen burial permits were issued by the Board of Health last week. The causes of death were given as follows:
Cholera infantum 5
Dysentery 2
Cancer of rectum 2
Paralysis 1
Meningitis 1
Cirrhosis of the liver 1
Suppurative appendicitis 1
Twenty births—14 females and 6 males—and nine marriages were recorded during the week with Registrar Jones.

IN SUCH PAIN WOMAN TORE HER CLOTHES

Testifies She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Malone, N. Y.,—Lydia E. Pinkham's Vegetable Compound has certainly done me a lot of good. I first heard of it when I was a girl and I always said that if I ever had female trouble I would take it.

I suffered from organic inflammation and would have spells when I would be in such pain that I would tear my clothes. One day my husband got the neighbors in to see what the matter was but they could not help me. My first thought was for Lydia E. Pinkham's Vegetable Compound and I sent my husband out for it and took it until I was entirely cured. I am a woman of perfect health and my health and happiness came from Lydia E. Pinkham's medicine. ITALIANS EXAMINE PORTER CHARLTON

Young American Faces Murder Charge - Alleged to have Killed Wife at Lake Como.

Como, Italy, Sept. 1.—Porter Charlton, the young American who was recently extradited from the United States to stand his trial here on a charge of murdering his wife at Lake Como in 1910, was subjected to a lengthy preliminary interrogation in the court here. The examining magistrate, Signor Mellini, Charlton's counsel, and Signor Vitale, the official interpreter, accompanied by a court clerk, proceeded to the prison for the purpose this morning. Signor Vitale was at once sworn to secrecy.

During the examination Charlton was quite self-possessed and calm and was most respectful towards the officials, who thus far declare that they have not observed any sign of mental deficiency.

The result of the preliminary examination, as well as the investigation of the affair by the detectives, is to be kept secret, in judicial circles it is understood that the trial is to take place in November.

GIRL KILLED BY BIG PILOT

Serious Trouble with Michigan Copper Miners Results in Return of Troops to Scene.

Calumet, Mich., September 1.—The copper strike situation took a serious aspect today as the result of the fatal shooting of A. Paskas, aged 15, daughter of a striker, at the North Kearage mine, when a picket of strikers and women clashed with deputy sheriff guarding the mine.

The deputies claim they were driven from the mining property by the strikers and when they returned to protect the property that the picketers fired upon them. Miners' leaders denied this, saying the deputies fired without provocation into the crowd of men and women, wounding the girl and several others.

The military forces again took charge of patrol work about the mines at Wolverine and Kearsage, as a result of this shooting. General Abbey has ordered an investigation.
