 animating his men, battle weary after  
 three days of savage fighting, yet

 colored players played a game of ball

 in starting and was called in the  
 fourth inning on account of darkness,

 6 in favor of the Franklin.  
 The umpires were R. Atchison and  
 H. Evans.  
 This evening the Buffalo and Tur-  
 les will play. There will be a game  
 every evening and Saturday afternoon.  
 Considerable interest is being taken  
 in the league.

 the only run of the game.  
 The battery for the winners was

## A NEW COOK'S BREAD

**'NEARLY KILLS EIGHT'**

 Get Sticky Dose.  
 Augusta, Me., Aug. 13.—Ordinary  
 war bread has taken a back seat at  
 Lake Cobbeosecontee. The family of  
 C. T. Brainard of New York, occupy-  
 ing a cottage on the west shore, par-  
 took of a loaf of bread, made in part  
 of cement. All the members of the  
 family, some seven or eight, including  
 the help, were prostrated, and are still  
 ill today, although it is believed they  
 will recover.  
 A quantity of cement arrived at the  
 cottage a few days ago, with which to  
 do some repairing, and the new cook,  
 just arrived from New York, mistook  
 it for flour in making the bread. Mr.  
 Brainard is a New York publisher.

## CROPS LOOK WELL

The crops along the St. John valley  
 between Fredericton and Woodville  
 never looked better at this season.  
 Oats and wheat are particularly good  
 and promise a heavy yield. Potatoes  
 look remarkably well and so far there  
 is no sign of rust. Good progress is  
 being made with hay operations, and  
 the yield especially on the islands  
 is an exceptionally good one.

## TRIED FOR STEALING

Moncton, Aug. 13.—Two C. G. R.  
 shops employees, charged with steal-  
 ing brass from the works, were before  
 Police Magistrate Stevens today.  
 After evidence for the prosecution  
 was finished, one of the accused testi-  
 fied in his own behalf and admitted he  
 had a bag of brass in his possession,  
 but had found it and had no intention  
 of taking it away from the works. A  
 further hearing will be held.

The crops along the St. John valley  
 between Fredericton and Woodville  
 never looked better at this season.  
 Oats and wheat are particularly good  
 and promise a heavy yield. Potatoes  
 look remarkably well and so far there  
 is no sign of rust. Good progress is  
 being made with hay operations, and  
 the yield especially on the islands  
 is an exceptionally good one.

## TRIED FOR STEALING

Moncton, Aug. 13.—Two C. G. R.  
 shops employees, charged with steal-  
 ing brass from the works, were before  
 Police Magistrate Stevens today.  
 After evidence for the prosecution  
 was finished, one of the accused testi-  
 fied in his own behalf and admitted he  
 had a bag of brass in his possession,  
 but had found it and had no intention  
 of taking it away from the works. A  
 further hearing will be held.

Sir Douglas Haig Rides To  
Their Battlefront and Ex-  
tends His Compliments.

With the Canadian Forces in the  
 Field, 9 a. m., Aug. 12.—(By J. F. B.  
 Livesey, Canadian Press Correspond-  
 ent).—During the last two days the  
 Canadian Corps has had the honor to  
 receive several distinguished visitors  
 who have congratulated them on their  
 splendid work. Among these have  
 been Sir Douglas Haig and Premier  
 Clemenceau.  
 Sir Douglas rode along the Canadian  
 battlefront stopping to speak to offi-  
 cers and men at Canadian headquarters.  
 He complimented Sir Arthur Currie  
 not only on the achievement of the  
 corps, but also on the wonderful spirit  
 animating his men, battle weary after  
 three days of savage fighting, yet  
 whose only desire was to be let loose  
 again on the Boche. The Canadian  
 advanced line has been practically  
 static since the capture of the
