PUT STOMACH IN FINE CONDITION

Says Indigestion Results from an Excess of Hydrochloric Acid.

Undigested food delayed in the stomach decays, or rather, ferments the same as food left in the open air. This indigestion is caused by Hy. peracidity, meaning there is an excess of hydrochloric acid in the stomach which prevents complete digestion. This everything eaten sours in the stomach much like garbage sours in a can, forming acid fluids and gases which inflame the stomach like a toy balloon. Then we feel heavy, lumpy, misery in the chest, we belch up gas, we eructate sour food or have heartburn, flatulence, water-brash or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and water before breakfast and drink while it is effervescent and further, more, to continue this for a week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salts is used by thousands of people for stomach trouble with excellent results.

## Lumber Interests In Need of Snow

Prominent Lumberman Informs Standard That Much of Season's Cut Will Not Reach Mills if There is Not Soon a Heavy Snowfall.

A serious situation confronts the lumbering interests of New Brunswick if there is not soon a heavy fall of snow. Elwood Burr, one of the prominent lumbermen of the province, was in the city yesterday, and in conversation with a Standard representative, said that all with lumbering interests at stake, were longing for better hauling conditions. Conditions have been ideal for the operation this season, and there has been a tremendous cut, according to Mr. Burr, throughout the whole province. If the needed snow does not soon arrive it will be quite impossible to get all of the season's cut on the way to mills, and a heavy loss will follow.

With the prevailing high prices it means much to the business interests of the province that every stick gets to market when there is a big demand. The Burr interests operated on the Keswick waters this season and have cut six millions of feet of lumber. They have recently disposed of their timber and mill properties in British Columbia, where they operated a few seasons.

## EVANGELIST DIXON DRAWING CROWDS

At Centenary Church Last Evening Large Congregation Gathered and Listened to a Stirring Message.

The meeting held in Centenary Church last night was a great success. In spite of all the counter-attractions there was a large attendance. Evangelist Dixon delivered a most faithful message in which he declared that there was deliverance offered to all who were weary of sin. His text was Second Chronicles, 22:15—'Shall God deliver you at my hand?' He compared these words of the King of Assyria to the remark of the Kaiser of Germany in which he called the British Army 'that contemptible little army.' He believed that many, all over the country, are watching this special effort in St. John with great interest and many are prophesying its failure. He said a man once said to him that tiger hunting was great sport, but the fun ceased when the tiger got hold of the hunter. So the pursuit of sinful pleasure was great fun, but when habits of sin are formed that grip the life, the fun ceases and the enemy triumphs over his victim.

Sannachit returned to his own land a defeated man with his splendid army destroyed. So there is power in Christ that can destroy the force of appetite. Mr. Dixon stated that after his conversion he was not allowed to wear any distinctive garb or badge to show that he was a Christian. As he was a soldier, he carried his Bible in one hand and his cane in the other to the amusement of his comrades. An Irish wit, named Pat Roache, who did much to turn ridicule upon him, was wounded in the same battle in which Mr. Dixon lost his arm. While they both lay wounded on the battlefield Pat begged his men to pray for him.

Miss Dixon sang very sweetly: 'Somebody Came and Lifted Me, Who could it Be But Jesus.'

The chairman of the evening was the Rev. G. F. Dawson, H. A. Goodwin led in prayer.

## Queen of Rumania Sends Letter of Thanks To Canada

Lady Tillyer has received a copy of the following letter which was sent to Lt.-Col. Noel Marshall, Chairman of the Canadian Red Cross Society:

Bucharest, December 18th, 1919.  
Dear Sir—I cannot deny myself the pleasure of sending you personally a word of thanks for all the wonderful help you have sent out to Rumania. You can little realize what your aid meant to me, the Queen, who has been struggling since three years against such very heavy odds. To see one's country invaded, looted, destroyed, handicapped in every way, and to be unable to relieve all the misery, is a great torture.

Thanks to the wonderful generosity of the Canadian Red Cross, I was able to help thousands, and it touched me quite particularly that all their gifts were put into my own hands to distribute as I thought best, thus giving me the almost holy joy of helping my people as a mother should be able to help. Colonel Boyle has been an invaluable aid—he has seen my country in its greatest misery and stood by us faithfully when so many dared not stay, so his heart has understood what your gifts have meant to me.

The name of 'Canada' is now known throughout Rumania, and it is a sweet satisfaction to me to hear her name blessed by thousands of suffering women and children.

The King hopes that you will accept the Regina Maria Cross, First Class, as a special appreciation of your kindness.

I shall never forget what you have done for my people.

(Sd.) MARIE, Queen of Rumania.

To Lt.-Col. Noel Marshall, Chairman Canadian Red Cross Society, Toronto, Canada.

Leaving It To Him.

"I'm afraid my husband is beyond help," said the doctor to his wife.
