The acher and the preschase of find mark o</li></ul>	shail be the half of s and to so conduct it that the commercial, industrial and social interests of the Dominion may be advanced, while its management shall know neither party, nationality nor sect. The DAILY TRIBUNE will support all sound legislative measures, wherever they may originate, and oppose every scheme prejudical to the public good, by whatever political party it may be upheld. While Dominion and Pro- vincial affairs will thus be fully and impar- tially treated, special attention will be given to matters relating to the City and County of St. John. That our City may re- tain its present pre-eminence as a commer- cial centre, greater ability and energy must enterinto its corporate management. Its Harbor interests require the most vigilant scrutiny; and not less, but more, important are those guarantees which should be, but unfortunately have not been, taken for se- curing the Public Health. The Construc- tion and Lighting of our Streets, the Wator Supply, the Sewerage question, the proper distribution of Taxation, the support and management of the Public Schools, are also matters of great moment and are intimate- ly related to our City's commercial pros- perity. With such questions we shall deal faithfully, although we do not propose that their discussion shall wholly overshadow the many interesting topics that will en- gage the attention of the inhabitants of other Provincial towns, whose more impor- tant local news will be chronicled, from day to day, in these columns. Special Correspondence, from leading Po- litical and Commercial centres, will be laid before our-zeaders, as circumstances may require ; and Letters from the People when brief, dignified and " to the point," will be welcomed. (Contributions from long-wind- ed and prosy letter writers will be res- pectfully declined.) Arrangements are progressing for a full and regular supply of Telegraphic News ; and when exciting and important Foreign News may be expected, ample Special Tele- grams will be forthöcming in The DAILY TRI- BUNE. The Ship	J. W. Pitfield, Moncton, Mr. mrn, Shediac, Mr. T.G. Burner A complete list, however, will another issue. RATES OF ADVERTI THE DAILY TRIBUNE will a requested, with the other City in treating all Advertising as "' that is, it will regard with abolition of agreements for " by the year." The latter p gone out of fashion in all w newspaper offices; and being a arrangement, both for the New a majority of the Advertisers, ceased to exist in this City p ago. THE DAILY TRIBUXE will support all sound legislative measures, wherever they may originate, and oppose every scheme prejudical to the public good, by whatever political party it may be upheld. While Dominion and Pro- vincial affairs will thus be fully and impar- tially treated, special attention will be given to matters relating to the City and County of St. John. That our City may re- tain its present pre-eminence as a commer- cial centre, greater ability and energy must enterinto its corporate management. Its Harbor interests require the most vigilant scrutiny; and not less, but more, important are those guarantees which should be, but unfortunately have not been, taken for se- curing the Public Health. The Construc- tion and Lighting of our Streets, the Wator Supply, the Sewerage question, the proper distribution of Taxation, the support and management of the Public Schools, are also matters of great moment and are intimate- ly related to our City's commercial pros- perity. With such questions we shall deal faithfully, although we do not propose that their discussion shall wholly overshadow the many interesting topics that will en- gage the attention of the inhabitants of other Provincial towns, whose more impor- tant local news will be chronicled, from day to day, in these columns. Special Correspondence, from leading Po- litical and Commercial centres, will be laid before our-geaders, as circumstances may require ; and Letters from the People when brief, dignified and " to the point," will be welcomed. (Contributions from long-wind- ed and prosy letter writers will be res- pectfully declined.) Arrangements are progressing for a full and regular supply of Telegraphic News ; and when exciting and important Foreign News may be expected, ample Special Tele- grams will be found, after the present issue, unusually full and reliable, and such as to secure for the paper a place in the offices of the thousands in the Province who are in-	We have only space to add the few of our country agents. such H. To atlotting, and care of school-houses and out-buildings, the purchase, erection. repair, furnishing and care of school-houses and out-buildings, the purchase of fuel, may or apparatus and prescribed textbooks for the purplis of indigent parents, the payment of interest on money to be borrowed by the District, or any other expenses required in providing an efficient school.</li> <li>(7) of the sum voted by the meeting; One Dellar is to be collected from every male resident 21 years of age, and the balance is to be assessed upon the property and income of qualified voters.</li> <li>(8) To authorize the Trustees to dispose of any School property owned by the District of any School property owned by the District (if so desired).</li> <li>(9) To authorize the Trustees to dispose of any School property owned by the District of any School property owned by the District of any School property and the school Westing and the school by the desired.</li> <li>(7) To authorize the Trustees to dispose of any School property owned by the District of any School property owned by the Chairman and Scoretary.</li> <li>(8) To adjorn to the next day at 10 o'clo</li></ul>	County of St. John. That our City may re- tain its present pre-eminence as a commer- cial centre, greater ability and energy must enter into its corporate management. Its Harbor interests require the most vigilant scrutiny; and not less, but more, important are those guarantees which should be, but unfortunately have not been, taken for se- curing the Public Health. The Construc- tion and Lighting of our Streets, the Water Supply, the Sewerage question, the proper distribution of Taxation, the support and management of the Public Schools, are also matters of great moment and are intimate- ly related to our City's commercial pros- perity. With such questions we shall deal faithfully, although we do not propose that their discussion shall wholly overshadow the many interesting topics that will en- gage the attention of the inhabitants of other Provincial towns, whose more impor- tant local news will be chronicled, from day to day, in these columns. Special Correspondence, from leading Po- litical and Commercial centres, will be laid before our-readers, as circumstances may require ; and Letters from the People when brief, dignified and " to the point," will be welcomed. (Contributions from long-wind- ed and prosy letter writers will be res- pectfully declined.) Arrangements are progressing for a full and regular supply of Telegraphic News ; and when exciting and important Foreign News may be expected, imple Special Tele- grams will be forthcoming in THE DAILY TRIBUNE. The Shipping Reports of THE DAILY TRI- BUNE will be found, after the present issue, unusually full and reliable, and such as to secure for the paper a place in the offices of the thousands in the Province who are in-	in treating all Advertising as " that is, it will regard with abolition of agreements for "by the year." The latter y gone out of fashion in all w newspaper offices; and being a arrangement, both for the Ney a majority of the Advertisers, ceased to exist in this City ago. Such a step might place at a disadvantage, for a time, with its older and more vig competitors, such as the <i>T</i> <i>Journal</i> , <i>Globe</i> , and <i>Morning</i> it would establish a just prince the end, prove advantageous Advertising Public and the P a change of the character pro- ever, be consummated, the re- vertisements in THE DALLY T be as follows : A limited number of year racts will be made on the of \$30 for one inch of several changes being allow Two inches, with changes, For Advertisements of ments, Corporations, Raily Steamboat Co.'s, and other bodies,for Theetres, C Lectures and other publi- tainments, say first inserti- Each subsequent do.
