seen the same sights and heard the same sounds, it is ever a new and inspiriting sensation; the British nature of rough jollity bubbles over on this day; the beg-gars swarm forth from Spitalfields, and noble Dukes from Belgravia and Kensing-ton; the army of cockneydom is on the move at dawn; the railway stations are a number of the railway

ded to the infecti

hich comes from a vast multitude, who

bit advertising proving is prime with a stretches of the carriage of a move at dawn; the railway stations are pandemonium; the stretes are blocked strengthy solicited to consider the date for the state of the chaiming and rollicking and singing and hurrahing and overturnings of vehi-cles and scramblings for room on the road—altogether formed such a scene as can only be witnessed in England, at Ep-son, and in the twikight of Derby Day. In London itself, the thousands who must i remain at home are fain at least to make a holiday, and as you approach the town through its seemingly interminable south-through its seemingly interminable south-western suburbs, you see crowds on every hand, curiously gazing at the myriads who are in their eyes heroic as having just beheld the sight of sights. I think f there must have been twenty thousand drunken people in London on Wednesday night; the streets were almost crowded to overflowed with indiscriminate crowds of men, women, and even beardless boys, and girls in their teens; while the then-tres, concert-halls, dancing-rooms, and Cremorne, sent forth hilarious sounds, and gave a spirited ending to what is em-plated by the west union and even bardies and the meal west mere union and even bardies by the tres concert and the town and the tayers of the theoly the mere union of the tayers and the tay a spirited ending to what is em-platicable the mere union and even bardies by and the tay a spirited ending to what is emafter caravan passing along in the dusk, sometimes with horses, wagons, hand-carts, sometimes tramping briskly off on foot. These are plebians—the money-makers—thousands of boys, from ten to fourteen, thousands of men, of women, of young girls; miniature menageries; Punches and Judys by the dozen; ambu-latory confectionery shops; gamblers, footpads, acrobats; horse-holders, boot-blacks, footput cliens: the laft the blind

the toiling is cncamped beneath hedge and beside ditch throughout the thirty and gave a spirited ending to what is emphatically the most unique and national of English holidays.

Government House, Ottawa,

Friday, 6th day of June, 1873.

PRESENT :

UIS FXCELLENCY THE GOVERNOR GEN ERAL IN COUNCIL.

() N the recommendation of the Hon. the Min ister of Inland Revenue, and under the provisions of the Act 33rd Victoria, Chapter 8 intituled : " An Act to explain and amend the Act respec ing the Collection and Managemen of the Revenue, the Auditir g of Public Ac

 Actrespecing the Collection and Management gray old Admiral Rous, Sir Watkin Winn, Sir Robert I est and his gallant uncle, the General, Mr. Chaplin (winner of the last year's Derby), Mr. Crawford and the 'ounts, and the liability of Public Account 'ants."
'Actrespecing the Collection and Management of the Bast of the Start of Westmoreland. This was only one of many such preliminary festivities; and good old Lord Zetland was sadly missed from the gatherings. Comparatively few go down to Epsom by train, for the railway stops some miles short of the Downs, and conveyances are despected with and been exported beyond the limits of Canada of being reimported free of duty of Castoms on certain conditions named in such order of Canada. Which had been exported bayond the limits of Canada of being reimported free of duty of Castoms on certain conditions named in such order. St. JOHN, N. (G incled Agent for the Martin e and the same is hereby extended and declared to apply to goods subject to duties of Excise the Downs, and control of this day. There perately uncertain on this day. There are, as perhaps you know, carriages especially constructed for going to the races, which, of course, only the wealthy can afford; these are big, two-story ar-man connents, and carry ten or a dozen man connents, and carry ten or a dozen man connents and carry ten or a dozen the said several conditions mentioned in the said order, and on the further condition that

races, which, of course, only the weatiny can afford; these are big, two-story ar-rangements, and carry ten or a dozen people, and have boxes for hampers and seats on top whence to view the moving said order, and on the further condition that such goods on reimportation shall be ware

housed, subject to the Excise duties to which hey would have been liable, had they not been
