

the church, your Board desires to say that from changes which have taken place during that time, by deaths, removals from the city, and other causes, a portion of the original subscriptions is not now collectible. The amount still to be paid on mortgage is \$4000; the amount on hand is \$1660; amount of original subscription expected to be realized but not yet collected \$1240; leaving the sum of \$1100 to be raised by new subscriptions, all of which should be in the hands of the Treasurer by 1st June next. The attention of the congregation is earnestly directed to this matter.

Before closing their report your Board would take this opportunity of congratulating you on the present happy and prosperous condition of the congregation. At no former period within our memory has such unanimity and cordial good feeling existed amongst its members. God has blessed us abundantly, may we be enabled to go on relying on His strength, which is sufficient for us, and acknowledging Him in all our ways.
