Four Per Cent Tax,

According to the bill which Hon.
Harry Mills introduced, mines, other than nickel and copper, are to bear a four per cent tax on production over \$10,000 and up to \$1,000,000 per annum, and seven per cent over \$1,000,000; nickel and copper mines are to bear five per cent on production between \$10,000 and seven per cent on production over the million-dollar mark.

H. H. Dewart, Liberal leader, said he could not allow the bill to pass without could not allow the bill to pass without the spars of the words below his photographs that he had acknowledged that his charge, oncerning game wardens and overseers had "broken down."

"I certainly did not break down. I proved everything I stated in my speech to have been correct."

"I am not protesting against the officials in the north country," continued Mr. Hall, "but against the vile and vicious system under which they are forced to work."

Entirely different from metallic iron. It quickly helps put strength into your muscles and color into your cheeks. Get your doctor to make your red blood count today, then take Nuxated Iron for a few weeks and watch your red blood corpuscles increase; see how much purer and richer your blood becomes; how much stronger and better you feel; what a difference it makes in your nerves.
