A Physician's Testimony for Labatt's Ale

"We find that the ale uniformly and well agreed with the patients, that it stimulated the appetite, and thereby increased nutrition. The taste, likewise, is always highly spoken of. In nervous women, we found that a glass at bedtime acted as a very effective and harmless hypnotic."—SUPERINTENDENT OF LARGE U. S. HOSPITAL.

COMPULSORY SAVING

How many of us, young people especially, can systematically save money? It is so perilously easy to fritter away small sums.

Here is seen one of the most valuable functions of Life Insurance. A Life Policy compels systematic saving, or the benefit of previous payments is lost. It is well to recognize one's limitations, and if only for the sake of saving money to advantage, it is wisdom to insure.

The Great-West Life Policies provide Insurance on most attractive terms. Their wide popularity is based on the solid foundations of low premium rates and remarkably high profit returns to Policy-holders. Details on request.
