Ladies' Yoke-Shirt Waist. 30 to 46 inches bust, 9 sizes. Price, 10d. or 20 cents.

ANSWERS TO CORRESPONDENCE.

(Concluded.)

NOVICE:—To preserve flowers that have succulent or herbaceous stems place them in deep water as soon as possible after they have been cut. If by chance they are drooping or even much wilted, they may be revived by giving them a quick plunge into moderately hot water in which a few drops of ammonia have been poured.

MEXIA:—The best chocolate is made by breaking fine an unflavored and unsweetened half pound of chocolate into a quart of lukewarm water. Increase the heat slowly until it boils, and let it cook for fifteen minutes in a covered porcelain or enamelled kettle. Now set it in a warm but not hot place on the range and let it remain for several hours. When wanted for use add enough hot milk to make ten cupfuls, powdered sugar to suit the taste, a table-spoonful of whipped cream on top of each cup; this is the true Mexican chocolate. The Mexican cook would on no account stir her chocolate with any other than a wooden spoon. Cooked in metal or stirred with a metal spoon, its flavor is impaired, she says.

STATIS:—Ignace J. Paderewski was born in Poland; Jane Hading, in France; Victor Herbert, in Dublin, Ireland; Edouard and Jean De Reszke, in Warsaw, Poland, and Mrs. Kendal in Lincolnshire, England.

A CONSTANT READER:—Like all other applications for the complexion, carmine exists in various forms and for obvious reasons should be applied with discrimination. A simple substitute is the juice of strawberries or crushed geranium leaves.

M. F. E.:—To salt almonds: Shell and lanch them, spread them on a bright tin plate, add a piece of butter the size of a hickory-nut and set them in a hot oven until they are of a golden-brown hue. Remove them from the oven, stir well, dredge thickly with salt and turn them out to cool.

MEDIA:—Glass dishes should be washed in water only moderately hot, because in places they are thick and elsewhere thin and they shrink and expand unevenly, being liable to crack when suddenly subjected to excesses of temperature.

At Last!

A Remedy has been Discovered that will Permanently Cure Catarrh.

JAPANESE CATARRH CURE CURES.

This is not merely the words of the makers of this remedy, but the assertion is backed up by leading physicians and the honorable testimonials of hundreds of cured ones. And more, there is an absolute guarantee to cure in every package, or money will be refunded. We will also send a two weeks' trial quantity free to any person suffering from this dangerous disease. Japanese Catarrh Cure is a new discovery, being a prescription perfected by one of America's most successful specialists in treating this disease. It is a soothing, penetrating and healing pomade, prepared from stainless compounds of Iodine and Essential oils, to be inserted up the nostrils. The heat of the body melts it, and the very act of breathing carries it to the diseased parts. It reaches, soothes and heals every part of the mucous membrane, curing invariably all forms of catarrh of the nose and throat, and all forms of catarrhal deafness. Mr. Joseph Little, the well-known millowner of Port Essington, B.C., writes: "Japanese Catarrh Cure completely cured me of catarrh, which had troubled me for 25 years, during which time I had spent over \$1,000 on remedies and specialists in Toronto and San Francisco. About two years ago I procured six boxes of Japanese Catarrh Cure, and since completing this treatment have not felt the slightest symptoms of my former trouble. I can highly recommend it. Relief came from the first application. We always keep a supply in the mill for cuts and burns, and consider it superior to any other remedy for healing."

Sold by all druggists. 50 cents. Sample free. Enclose 5-cent stamp. Address, The Griffiths & Macpherson Co., 121 Church Street, Toronto.
