### REGULATIONS for granting LANDS in the *British North American Provinces*.

---

FOR the information of persons desirous of proceeding as Settlers to His Majesty's Provinces in North America, the following summary of the Rules which have been established for the future regulation of Grants of Land, has been prepared by the direction of His Majesty's Principal Secretary of State for the Colonial Department.

The Commissioner of Crown Lands will, from time to time, and at least once in every year, submit to the Governor a Report of the total quantity of each district of Crown property, so far as he may then have ascertained the same; together with his opinion of each description of property, which it may be expedient to offer for sale within the then ensuing year, and the upset-price per acre at which he would recommend the several descriptions of property to be offered, provided that the land proposed to be offered for sale does not contain any considerable quantity of timber fit for His Majesty's Navy, or for any other purposes; it being the intention that no grant of the land upon which such timber may be growing should be made until the timber is cleared.

That no lot should contain more than 1,200 estimated acres.

The purchase money will be required to be paid by four instalments without interest; the first instalment at the time of the sale, and the second, third and fourth instalment at intervals of a year.

If the instalments are not regularly paid, the deposit money will be forfeited, and the land again referred to sale.

Purchasers of land at any sale not exceeding 200 acres, being unable to advance the purchase money by instalments as proposed, the Commissioner may permit
