Forest Fires  
Have  
Robbed  
Canada  
Of the  
Forest Wealth  
On  
One  
Million  
Square Miles  
Being  
Ten  
Times the  
Area Ever  
Touched  
by  
the Axe.  
Will  
Canadians  
tolerate  
such  
a record any  
longer?

Live Forests  
Mean Live  
Jobs.  
Dead Forests  
Employ  
nobody.  
Canada's  
forests  
represent  
the nation's  
greatest industrial  
magnet.  
While our  
timber grows,  
the nation's  
commerce  
must grow  
with it.  
Every timber  
tree is a totem  
pole of future  
prosperity.
