Mrs. Dixon's tone was growing shalp and they cut the ears of her hushand painfully. "Just look at shift give and now at that. There's half an inch difference in the margin." "I don't see it," replied Mr. Dixon. "I wonder whas your eyes are worth ! Just took have ?' And Mrs. Dixon took as strip et paper and measured from the left hand side of the frame across the white margin to the edge of the picture. "Do you see that ?" And was narked the distance on the paper. "Now se here !' laying the measure on the right-and side. "An eighth of an inch difference?" Mr. Dixon turned away and walked across her on this wife, and here was the result ! "Tothe see it," and here was the result !
