In the midst of the worst snow storm of the winter the members of the Ski Club had to work their utmost to prepare the Royal Road Ski Hill for racing. Unfortunately, the Cross Country had to be cancelled because of foo much snow but on because of too much snow, but on Saturday the Downhill was run, on a relatively slow and soft course. Twenty-three racers competed, with teams from Edmonston, Saint John, Fredericton, Mt. A. and U.-N.B. First place was taken by Norval Balch (U.N.B.) 59.1 sec., second Bob Crooks (Edm.) 60.65, third Ernie Chaisson (Edm.) 62.75 sec. In the girls division Heather MacDougall (Mt.A.) took first with 77.05 sec, Diana Drew (U.N.B.) took second, 77.45.

On Sunday morning twenty racers skied through a Giant Sialom course, and the deep ruts Siatom course, and the deep ruts in the soft snow accounted for a large number of prangs. Bob Crooks (Edm.) made beautiful runs to take first with 83.6 sec. Second was Norman Albert (Edm.) 91,2 sec., third Bob Lawrence (St. J.) 93.45. In the girl's division, first was taken by Heather Mo first was taken by Heather Mc-Dougall (Mt. A.) with 104.6 sec., second by Sue Minnes (Mt. A.) 126.7 sec. With advent of the final frame the Bloomers shook off most of their poor taste as they again started to cilck. Play continued to be rough as each team drove in relent-lessly and U.N.B. held onto its narlessly and U.N.B. held onto its nar-row five point lead. ..Midway through this quarter Dot Terry, standout forward for Mt.A. twisted an ankle as she drove in from the side and slammed into the end wall. The blow seemed to render her senseless for a few moments but she was soon on her feet and was assisted from the floor, with a round of applause from the spectaround of applause from the specta-tors on her behalf.

This unfortunate incident did not slow Mt. A. completely but as the Bloomers had now found their range, they continued to expand their lead. Playing their last game of the season the U.N.B. Red Devils came up with a win to lift them out of the cellar in the N.B.-P.E.I. intercollegiate loop. .. The game played on natural ice against St. Dunstans University in Charlottetown pro-ved fast and at times furious as the

ved fast and at times furious as the Deviis finished off the season on a high note...The final score came out 9.8 for U.N.B. as a St. D.U. build-up fell short of the mark. St. Dunstans opened the scoring at 8:39 of the first period after a fast exchange of shots and checks. The goal by Callaghan came on a screen shot which Griffiths in the U.N.B. nets hardly saw. A minute later Ketch of the Devils was out in the clear when tripped going in to score. Dohaney even the count to score. Dohaney even the count at the 13:10 mark with a driving 10 foot shot as the Mockler brothers, Hub and Pete assisted as they swept past the St. D.U.'s defence. Only one penalty was called, on Mullins for slashing while the goalies were hard pressed . When scoring did come it was in a rush as U.N.B. poured in three goals in the last two minutes. Bon Ketch picking two minutes. Ron Ketch picking up a pair. The first at 17:50 was the net result of a fine passing play which left Ketch uncovered

No more scoring could be done by either team. At the 18:00 minute mark St. Dun-stans pulled their goalie in an effort to apply pressure for the tie. The opposite was the reaction as U.N.B. stormed up the ice with Hersey's shot missing the open net by inches. The St. D.U. goalle was quickly reinstated and the situa-tion remained so until the final whistle a minute later

The only scrap of the game came at the 4:30 mark of the second when Dohaney and Roy traded punches after a roughing high sticking duel. The fight was

### **SPIRIT LIFT**

Closely connected with and bolstering up, Saturday's double head-er at the gym. were the U.N.B. cheer-leading corps and rhythm band which kept up a steady tem-po throughout the evening.

The cheerleaders perched pertly on the leading edge of the East balcony led that section of the U. N.B. fans in many familiar chants and songs which brought spirit to a high point . This is the first in-door outing for the Red and Black cheering line this season and an attractive one at that. Since there should be another home game as the Raiders play the Nova Scotia winners we may well witness another rousing round of selections.

The band or rhythm section did itself proud as the residence staff-ed outfit cut loose at will and with vengence. During the girls fracas they experimented with numerous arrangements and as the second half of the double header came up, the band was in good form.
