Dear Sirs:

Re: Fort Hope I. R. No. 64  
Mining Claims 355-359.

As you did not have these claims surveyed and did not make application for a mining lease, and as your Prospector's Permit was not renewed, the Mining Recorder has cancelled these claims and the area is now open for staking.

Yours truly,

  
D. J. Allan,  
Superintendent,  
Reserves & Trusts.
