Bridgewater, 30<sup>th</sup> Sept 1921

Alex. G. Bruce, Esq.  
Unionville, Ontario.

The suggestion that some one should take charge of organization came from Howard Cane and others in Riding. Under circumstances imagine they prefer some one from outside. This, however, you can only ascertain. I can think of no one who would be as helpful in effecting organization, especially in rural sections, as yourself, if North York Executive agree.
