this organization, there was a Vice President with a salary of \$15,000.00, a General Manager with the same salary and two Assistants to the General Manager with salaries of \$8,000.00 each per year. Today I have the organization to run alone.

I frankly feel that I have personally been penalized. I do not think with the records mentioned herein that I need amplify my case.

With kindest regards and once more expressing my thanks and appreciation for the many kindnesses you have extended to me in the past,

I am,

Yours very truly,
