

194555.

Ottawa, 25th June, 1903.

Sir,-

In reply to your letter of the 17th inst., I beg to state that John Stephens mentioned therein (generally known as Johnny Storr) is located at a point on Lesser Slave Lake River, about ten miles below the head of the River. This man is an enterprising character, is entirely self-supporting, and his house is said to be the best winter stopping place between Athabasca Landing and Lesser Slave Lake; it is, therefore, desirable to encourage him by securing the land for him on which he is located.

Your obedient servant,

Secretary.

P. G. Kaye, Esq.,

Secretary.
