Ottawa, 7th December, 1911.

Sir,-

On the 13th October the Department wrote asking whether you had taken up your residence at Cape Croker. You have failed to reply to that letter. It is observed that your official correspondence is dated from Warton. The Department desires that if you have not already removed to the house provided for you at Cape Croker that you will do so at once. It seems somewhat strange, in view of the fact that the house has been completed since early in September, that you have not complied with the Department's expressed wishes that you occupy the same without delay.

Your obedient servant,

  
Asst. Deputy and Secretary.

C. E. E. Parke, Esq.,  
Indian Agent,  
Warton, Ont.
